

ITU Winter Triathlon Ranking Criteria

1. PURPOSE:

- 1.1. ITU Winter Triathlon Rankings will be used to determine the best performing winter triathletes of the season

2. POINTS AND SCORING:

2.1. Scoring events:

- a) There will be 5 levels of events included in the ITU World Winter Triathlon Rankings:
 - The ITU Winter Triathlon World Championships
 - The ITU Winter Triathlon World Cup events
 - The ITU Winter Triathlon Continental Championships
 - The ITU Winter Triathlon Continental Cup events
 - The Winter Triathlon National Championships
 - b) The points earned by the best athlete for each event will be:
 - 750 for the ITU Winter Triathlon World Championships
 - 500 for the ITU Winter Triathlon World Cup events
 - 500 for the ITU Winter Triathlon Continental Championships
 - 250 for the ITU Winter Triathlon Continental Cup events
 - 150 for the Winter Triathlon National Championships
 - c) The points table for each level of event will be from:
 - 1st to 25th for the ITU Winter Triathlon World Championships
 - 1st to 15th for the ITU Winter Triathlon World Cup events
 - 1st to 15th for the ITU Winter Triathlon Continental Championships
 - 1st to 10th for the ITU Winter Triathlon Continental Cup events
 - 1st to 5th for the Winter Triathlon National Championships
 - d) The points will be decreased by 7.5% every position.
 - e) The events included in more than one level (i.e. National Championships taking place in a Continental Cup event) will give only one score to every athlete. If an athlete should gain points by more than one way (i.e. points for the overall event and points for the National Championships), only the highest score will be considered.
- 2.2. **Total Events to Count:** The total number of points acquired by an athlete in a given year will be determined by adding the 3 best scores in the current year races.
 - 2.3. **Winter Season:** Winter season of a specific year will start on June 1st of the precedent year and will finish on May 31st. Athletes will be removed every year from the ITU Winter Distance Triathlon Rankings on May 31st.

3. MODIFIED EVENTS:

- 3.1. When a race cannot be held in the original form due to force majeure, the points will be reduced depending on the conditions on which finally the event took place:
- a) If the event remains the same ITU multisport race, but any or all of the disciplines are shortened according to the ITU Competition Rules, 100% of the original points will be awarded.
 - b) If the event becomes another ITU multisport race according to the ITU Competition Rules in terms of distances and conditions, 75% of the original points will be awarded.
 - c) If the event becomes another ITU multisport race with deviations from the ITU Competition Rules in terms of distances and conditions, 50% of the original points will be awarded.
