12:30pm Closing Ceremony

7:00pm Closing Dinner and Celebration at TBC

COMPETITION RULES

The race will follow the latest published competitions rules of the International Triathlon Union.

INFORMATION ABOUT THE FOP

START

The start area is at “Santa Cruz Bay”. Athletes will line up ocean beach mass formation. The Race Referee with the assistance of ITU Technical Officials, who are assigned to the start, will start each race.

The athletes are required to leave their last minute gear at the swim start inside a dedicated box and the LOC will carry those bags back to the Athletes’ Lounge.

SWIM COURSE

The course consists one lap to swim (750mts).

The water temperature in “Santa Cruz Bay” in mid-June can be expected to be roughly 22-25 °C.

BIKE COURSE

Generally flat, with a major hill in the middle of each lap. There are four laps of 5 km to ride. The route is technically demanding, due to many changes of direction and tight turns. Athletes who are lapped are taken out of the race. The “first runner, last biker”-scenario is applicable for this event. In this case the biker will be taken off the course.

WHEEL STATIONS

Two wheel station will be provided, the first one will be located prior to the hill, and the second one will be located at the roundabout next to Hotel Castillo. The wheel station will hold both LOC provided wheels and your own wheels.

PENALTY BOX

The penalty box will be located before the finish line.

Huatulco ITU Triathlon World Cup

RUN COURSE

Flat with a minor hill in the start. There are two laps of 2.5km to run. Two 180° turns per lap. Surface mostly cobblestone and tarmac.

AID STATIONS

The aid stations are located on the run course every 800m. Closed 0.33 liter bottles of sealed water will be handed out.

WEATHER CONDITIONS

The calm waters of Santa Cruz Bay invite you to take a splash,. Santa Cruz Bay is ideal for a full range of water sports. Temperatures in June range between 24°C to 32°C

RESULTS

Results will be uploaded live at the ITU's official website: www.triathlon.org

All the results information will be distributed to the Team Leaders at the LOC Information Office.

PROTEST & APPEALS

Standard procedures will be followed according to the ITU Competition Rules.

ACCREDITATION

LOC will provide all athletes, coaches, technical officials, journalists, etc. with an official accreditation card according to the ITU Event Operational and Technical Requirements.

Accreditation cards for athletes and coaches will be handed out during the official registration on June 12th after the Race Briefing Hotel Binniguenda. Only accredited persons will be allowed to access certain venue areas. Accreditation cards are number-coded and provide access to specific areas of the competition areas.

All accredited persons are requested to carry their accreditation cards with them at all times and to show them upon request.

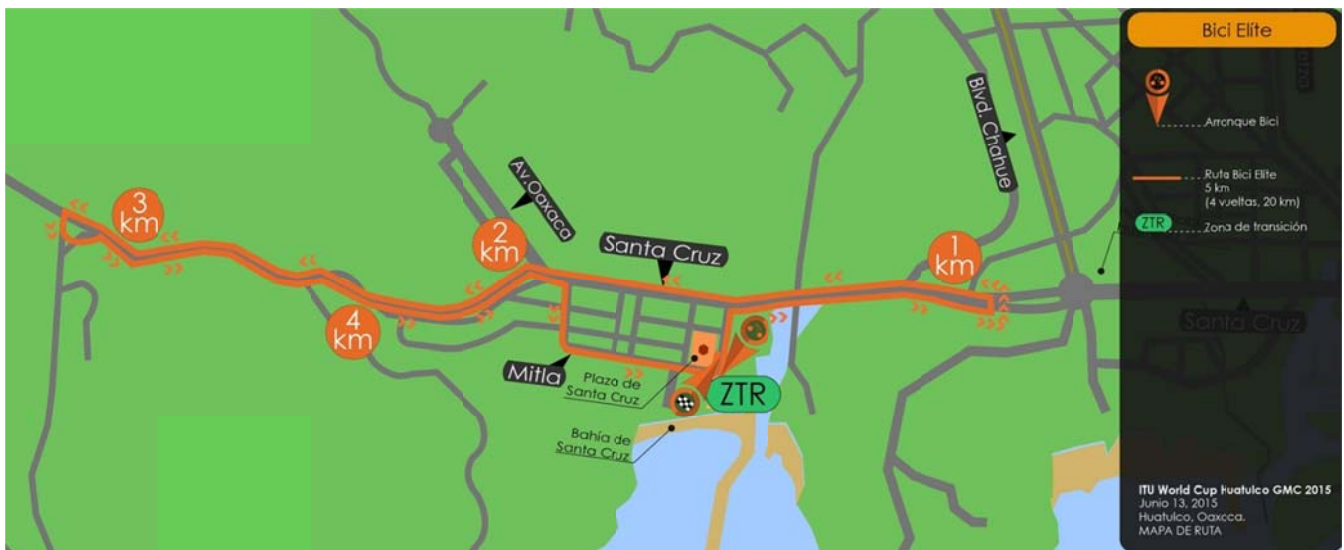

ACCREDITATION CARD REQUEST

National Federation representatives and observers apply for accreditation by sending their request to the ITU.
