5. Training

a. Bike Training

The event will take place in Downtown Lisbon, a very busy area and a lot of streets have tram railways so it is complicated to train there.

b. Run Training

The foot walk near the river is the most suitable place to train.

c. Course Familiarization

Swim

You will be able to have a swimming course familiarization in the Race "arena" on Friday, October 5th from 13:00 to 14:00.

During the swimming course familiarization there will be lifeguards and medical service available.

You are swimming at your own risk.

Please note: It is forbidden to swim in the course outside this schedule – for safety reasons!

Bike

There will be a bike course familiarization on Friday, October 5th from 14:00 to 15:00. You will have the chance to do two laps on the bike course. You will go round the course in a pack and will be marshaled by policemen in motorbikes. Assembly point is in the transition area.

Please note: After the end of the second lap the police will open the roads for traffic and the athletes that want to continue training will be on their own risk.

d. Information about the Race

Start

The start area is in Belém, in the Tagus River

There will be a beach start. In the starting line athletes must stand in a starting position approximately 75cm wide. The Race Referee with the assistance of ITU Technical Officials, who are assigned to the start, will start each race.

The athletes are required to leave their last minute gear at Athletes' Lounge.

Swim Course

The swim takes place in the Tagus River.

It consists in a 250m lap, with 2 buoys.

The first buoy is 100m from the start

The water temperature is expected to be 16°C – 18°C.

Bike Course

The bike course consists of 1 lap of 7km that are very quick and fast. The circuit is completely flat with just one 180° turn

Wheel Station

There will be one wheel station on the bike course situated halfway, in a central point.

This wheel station won't have spare wheels so the athletes must bring their own wheels.

Run Course

The 1,7km run course extends itself along the river banks and is totally flat.

Relay zone

The relay zone is situated right next to the start and finish.

After the relay the athletes must run to the beach start and dive into the water.

Aid stations

There will be two aid stations on the run course (one is in the relay zone). Closed bottles of sealed water and cups with energy drink from our sponsor will be handed out.

e. Weather Conditions

Weather temperature is quite nice this time of the year. The temperatures can go from 12.5°C to 25°C. The weather is usually sunny but can be windy in the afternoon.

f. Results

Results will be uploaded live in the event's official website: www.federacao-triatlo.pt

All non-official results will be distributed to the Team Leaders at the LOC Information Office.

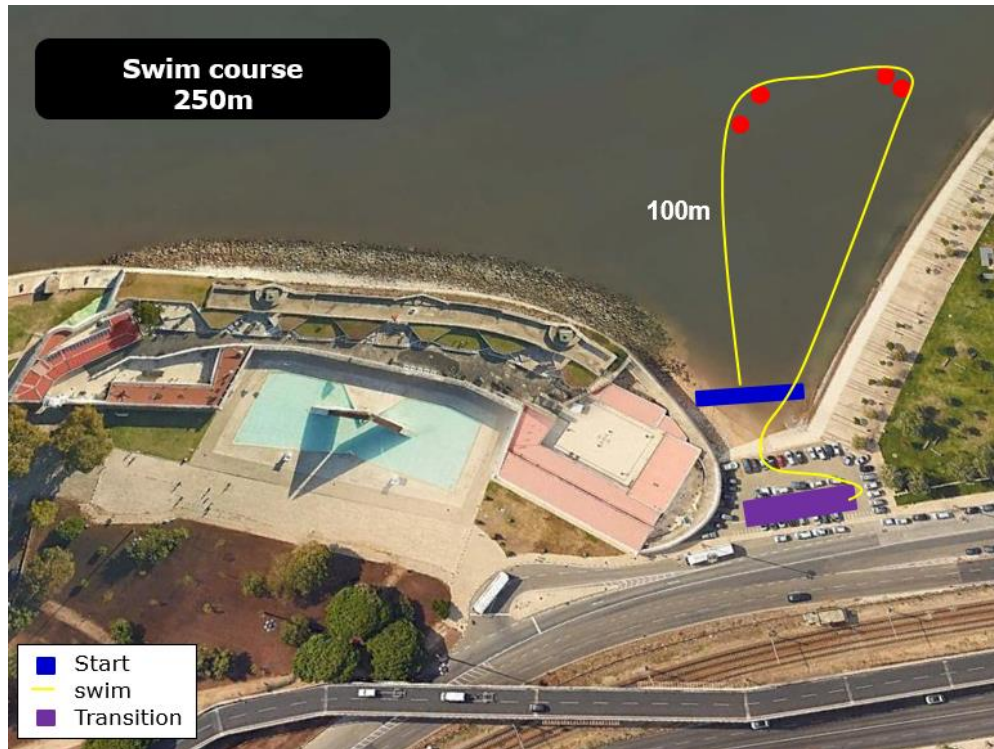

There will also be live streaming of the event

Athlete's Event Guide

g. Protests and Appeals

Standard procedures will be followed according to the ITU Competition Rules.

h. Elite Course Maps

7. Accreditation

The LOC will provide to all the Organizing Committee Members, ITU Technical Officials, Athletes, VIPs, media, technical staff, court personnel, volunteers, etc. with an official Accreditation Card. Accreditations will be distributed at the Race office.

Only accredited people will be allowed to access certain venue areas. Accreditation Cards provide access to specific areas of the competition areas.

All accredited people are requested to carry their Accreditation Cards with them at all times and to show them upon request. Accreditation Cards are mandatory to enter the venue.

Please send accreditation requests to etulisbon@federacao-triatlo.pt

a. Training facilities access

In order to enter the swimming pool and the athletics' track athletes and coaches should carry and show their accreditation cards.
