<b>Re:</b>	Call to the XXVIII Congress of the International Triathlon Union (ITU)

Dear ITU Members and Colleagues,

The 2015 ITU Congress is approaching and I am very pleased to meet with all of you in 100 day at the 28<sup>th</sup> ITU Congress in the iconic city of Chicago. Chicago has a great history with triathlon, having organized many high level events in partnership with USA Triathlon, our host national federation. I would also like to thank the USA Federation for their hard work and dedication in helping us organize this year's Congress and Grand Final.

We are now almost at the half way point of the WTS season, and I am very happy to see the sport continuing to grow worldwide with more development events, competitions, courses and activities. We should all feel very proud to be involved in this beautiful sport that is growing faster than any other Olympic sport.

For those of you who require travel visas to enter USA, please start the process **today!** If you require information about your travel visa to the USA, please click [here](#).

If you require any assistance with this, Rob Urbach, CEO of USAT, will manage your requests personally. You can reach Rob at email: [Rob.Urbach@usatriathlon.org](mailto:Rob.Urbach@usatriathlon.org). Please copy Laura Blackwell in my office who will also assist with this process. Laura's email is [laura.blackwell@triathlon.org](mailto:laura.blackwell@triathlon.org).

I am really looking forward to seeing all of you in Chicago. Until then, I remain,

Yours sincerely,

---
