   b) Thomas Nielsen, (Denmark)
   c) Cathy Sheldrake, (New Zealand)
   d) Joyce Payne, (USA)

6. **MINUTES OF 1999 CONGRESS**:  
   a) Didier Lehenaff, Slovakia requested that items from the 1999 Congress Minutes be corrected:  
      (i) The minutes of the 1998 Congress were not distributed at Congress, but by mail in September 1998. The minutes should have been distributed at the 1999 Congress. President McDonald responded that minutes from the previous Congress would be included with all future Congress material.  
      (ii) Resolution 1: The consolidation of PATCO: since the Montreal resolution an Extraordinary Congress had been held to overturn this resolution. Mark Sisson stated that this had no bearing on a resolution passed by ITU because regions only exist if ITU Congress rules so.
(iii) Resolution 4: Court of Arbitration is missing. This will be added to the minutes.
(iv) Resolution 5: Women’s prize money: This resolution was amended — the last line will be deleted
(v) Resolution 6: Eliminate words ‘officers of ITU’
(vi) Resolution 10: Team event: amended to ‘event’ and delete ‘Olympic Games’.
(vii) Resolution 11: take out ‘World Cup’ to ‘Events’
(viii) Resolution 12: Colombia was not present, therefore could not be withdrawn. Executive Board decided to withdraw — no debate because Colombia was not present.
(ix) Resolution 17/18: Should be one resolution.
(x) Page 9: name correction, correct spelling, John Raadschelders
(xi) Evaluation Commission: should not have been evaluate
(xii) Name correction, Pamela Fralick, not Folick.

b) Loreen Barnett, ITU staff responded that all of these items should have been forwarded to ITU Headquarters in a timely fashion following the circulation of the minutes in October 1999.

c) The minutes were approved as amended.

7. **AUDITORS REPORT:**

   b) A motion to accept the report of the Audit Committee was adopted.

   a) Bill Walker, (Australia) ITU Treasurer reported on:
      - PSE contract

      - Olympic revenues
      - Projected future expenditures with new revenues proposed for athletes from developing countries.
   b) Ray Preston, Cook Islands noted that the financial statements were not circulated 60 days in advance. Bill Walker reminded the Congress that it had been only 3 months since year-end and 7 months since the last audited report. Preparing financial statements within these time restrictions is very difficult, let alone 60 days before Congress. He emphasized that this will be an objective of the next Executive Board.
   c) Dr. Edisson Osorio (Puerto Rico) moved the Treasurer’s report be accepted as presented. Balwant Singh Kler (Malaysia) seconded the motion. The motion was carried.

9. **ELECTIONS TIMETABLE:**
   a) President McDonald suggested that the elections be moved to start at 11 o’clock to enable the incoming President to attend the Opening Ceremonies for the Triathlon World Championships and in view of the amount of work to be accomplished by
adjournment time. Moved by Patrice Brunet (Canada), seconded Antonio Alvarez (Mexico). The motion was carried.
b) Susanne Bauer (GER) declared the elections could not be advanced without 2/3rds majority.
c) Patrice Brunet (CAN), Constitution Committee pointed out that 2/3rds were needed only to ADD agenda items, not to move them within the same agenda.

10. **PRESIDENT'S REPORT:**
a) ITU President Les McDonald, Canada reported on the work of ITU since the last Congress. He reported on the following:
   - Success of the Sydney Olympic test event, with thanks to David Hansen, the Technical Committee and SOCOG.

   President's Report: accepted as read.

11. **ELECTIONS: PRESIDENT:**
- Les McDonald, Canada - elected
- Erika Koenig-Zenz, Austria

12. **RESOLUTION 1: (Executive Board)**
Whereas the ITU Constitution lacks a provision that defines who may be a representative to Congress and who may stand for election.

Whereas most, if not all, International Federations have similar provisions in their Constitution, Statutes or by-laws that declare, for example, "A delegate shall be a citizen of the country or territory of the member (NF) which he/she represents." (International Athletics Federation – IAAF)

Whereas the International Skating Union (ISU) states in its Constitution that representatives of a National Federation (NFs) must be a member of the NF, of the same nationality of the NF or have been a permanent resident for more than one year.

Whereas the IOC, in respect to its members, includes the following in the IOC Charter: "IOC members must be nationals of a country in which they have their domicile. Members of the IOC are its representatives in their respective countries."

Therefore, be it resolved that, only those representatives of National Federations (NFs) affiliated and in good standing may attend Congress, and
Representatives must be of the same nationality as the country or territory they represent, or have resided in that country for at least 183 days over the preceding 365 days.

**Resolution Carried unanimously**

13. **RESOLUTION 2: (Executive Board)**
Whereas there is a void in the ITU Constitution wherein an elected officer may no longer be in 'good standing' with his/her National Federation, yet still hold a position as an officer of the International Federations.

Whereas candidates for office are proposed by their National Federation, and

Whereas it is elementary in the democratic procedure that the nominating body, a national sports governing body, has the right to withdraw the candidate from his/her position if it believes it has facts and evidence to justify doing so.

Therefore be it resolved that, each affiliated NF may withdraw an elected officer of ITU when it deems facts and circumstances justify.

Be it further resolved that each affiliated NF will include an arbitration process in their Constitution, which includes the right to appeal such decisions. Any officer removed from office by their NF has the right to appeal to the ITU Executive Board and, thereafter to the ITU Congress and thereafter to the Court of Arbitration for sport.

An amendment proposed by Ian Brownlee (Hong Kong) to add "Be it resolved that the Constitution Committee consider and propose an amendment to the Constitution a means by which Congress can remove from office any elected person who acts contrary to the rules and objects of ITU."

**Resolution carried as amended**

14. **RESOLUTION 3: (Executive Board)**
Whereas the invitation to Congress states that the invitation to NFs, officers and honorary members should be mailed at least 60 days before Congress (Chapter 5.3, ITU Constitution) and whereas the 60 days is insufficient.

Therefore be it resolved that the ITU Constitution be amended as follows:
The invitation to Congress will include the agenda. It will be mailed by electronic and ordinary mail at least 100 days before the Congress to:

- Affiliated NFs
- Executive Board members
- Honorary members
- Members of Standing Committees and Commissions

It was moved by the Executive Board to remove the word "or" from the last sentence of the original resolution so this document would be sent by both electronic and regular mail.

**Resolution Carried Unanimously as Amended:**
15. **RESOLUTION 4: (Technical Committee)**  
Whereas athletes from the following events are still owed prize money;  
1996 World Triathlon Championships (Cleveland, USA)  
1998 World Duathlon Championships (St. Wendel, Germany)  
1999 International Event (Isla Margarita, Venezuela)  

Therefore, be it resolved that the host National Federation be responsible for paying those athletes who are still owed prize money.  
**Resolution Withdrawn**

16. **ELECTIONS CONTINUED: VICE PRESIDENT:** Mr. Chiharu Igaya (IOC), (Japan) elected by acclamation.

17. **RESOLUTION 5: (Aruban Triathlon Federation)**  
Whereas in accordance with chapter two of the ITU Constitution and the rules of eligibility,

Only the competitors that are selected in accordance with the eligibility rule of the ITU, will be allowed to participate in the ITU or regional federation competitions in accordance with the rules of eligibility which are included in the Competition rules: Eligibility World Championships Elite qualifying criteria.  
Requirements: We have in the competition rules of the Central American and Caribbean Championships, South American Championships which are regional championships with maximum points of seven hundred and fifty.

Therefore, be it resolved that the ITU Executive Committee and Congress grant the maximum amount of Regional Championships which are seven hundred and fifty points to the Central American and Caribbean Championships of February twenty six, held in Margarita Island, Venezuela and also the same amount of points to the South American Championships of March twelve in Mar Del Plata, Argentina  

Mark Sisson, Secretary General spoke against the resolution on behalf of the Executive Board. Executive Board recommending non-concurrence.  
**Resolution Defeated.**

18. **RESOLUTION 6: (Australian Triathlon Federation)**  
Whereas, certain individuals unable to get nominations for a position in ITU, have resorted to obtaining a nomination from another federation / country to which they do not belong, which brings ITU into disrepute and is undignified.

Therefore, be it resolved, and in keeping with the practice of other International Federations, that candidates for office must be a citizen of the country nominating him or her or must have resided in that country for at least **183 days over the preceding 365 days**.

Amended by Executive Board to meet International legal definition of residence, i.e., 183 days over the preceding 365 (section in italics). Seconded. Tim Wilson (AUS). Ms Mina Guli (AUS) spoke in favour of the resolution.  
**Resolution carried as amended**.

   - Mark Sisson, (USA) - elected
   - Martin Engelhardt, (Germany)

   a) Libby Burrell, South Africa - elected
   b) Marisol Casado, Spain - elected
   - Gisele Goyenega, Costa Rica

25. **RESOLUTION 7: (Austrian Triathlon Federation)**
    Whereas no formal procedures for appeals against decisions of the ITU Executive Board are existing and whereas the ITU Executive Board itself is an instance to appeal to, and whereas clear arbitration procedures are existing in National Federations,

    Be it resolved that the ITU create an arbitration process for all appeals based on the following principles;

    NFs, officers, athletes have the right to an arbitration hearing with an advocate of their own choice.

    The ITU will have an advocate of their own choice

    A third party will be named and agreed upon by both parties.

    Be it further resolved that the arbitration panel shall be final, except for the possibility of an appeal to the Court of Arbitration for Sport (CAS).

    Resolution Defeated.
26. **RESOLUTION 8: (Cuban Triathlon Federation)**
Whereas by having a technical committee consisting of qualified professionals, the ITU as a whole and this includes athletes, coaches and others involved can rely on carefully prepared and well studied cases regarded to all related technical and improvement aspects of our sport.

Be it resolved that the technical committee should consist of qualified personnel with scientific knowledge, such as coaches, pedagogue physical education professors, nutritionists and psychologists.

Elsa Cuthbert (HKG) suggested an amendment to the resolution as follows; "be it resolved that all committees have 50% relevant 'qualified' members and that the chair of each committee be 'qualified'."
