INTRODUCTION

This document outlines the concept of, and the bid conditions for the International Triathlon Union (ITU) Winter Triathlon events, such as the Winter Triathlon World Championships 2020 and Winter Triathlon World Cup 2020. It also provides the approved framework for organising the event, including the general ITU Winter Triathlon Rights and Obligations.

The ITU Winter Triathlon events are designed to provide well organised events with a wide global reach and high-quality competitions for athletes.

ITU Winter Triathlon events will feature:

- Prize purse for the elite athletes;
- International media and internet coverage, which makes hosting attractive for sport tourism and the global brand of the host cities.
ITU - THE WORLD GOVERNING BODY

- The International Triathlon Union (ITU) was founded in 1989;
- ITU is the world governing body for the Olympic sport of triathlon and is recognised by the International Olympic Committee (IOC), the International Paralympic Committee (IPC), the World Anti-Doping Agency (WADA), the Association of Summer Olympic Sports (ASOIF) and GAISF, the association of International Sport Federations;
- ITU is the world governing body for triathlon and all related multisport disciplines such as Aquathlon, Cross Duathlon, Cross Triathlon, Duathlon, Long Distance Duathlon, Long Distance Triathlon, Winter Triathlon and Aquabike;
- More information about ITU can be found at triathlon.org, “the official triathlon resource”.

ITU WINTER TRIATHLON

GENERAL INFORMATION

- ITU Winter Triathlon events are conducted by ITU in cooperation with its member NFs;
- ITU calls for bids annually. NFs, host cities and Local Organising Committees are encouraged to develop visionary proposals that can enhance the scope, presentation and marketing of the events. Priority will be given to existing organisers that have followed the ideal development path of hosting a National event, Series event, Regional/Continental events;
- ITU exclusively owns the rights to the events and contracts the organisation of the events to individual Local Organising Committees, which can be made up of any combination of NFs, host city and/or recognized event organisers;
- Local Organising Committees must be fully aware of the concept, format, and scope of ITU Winter Triathlon events as envisioned by ITU and its partners.
ITU OBJECTIVES

- Host a safe and fair competition;
- Present an event that is attractive to sponsors and/or tourism authority, and is of benefit to the National Federation’s objectives of developing the sport;
- Maximise media exposure for triathlon and ITU multisport disciplines nationally and globally;
- Provide unforgettable experience to all participants and spectator audiences;
- Exhibit strong corporate support;
- Engage public institution support;
- Establish strong partnerships among all stakeholders;
- Ensure a strong emphasis on sport development with a provision of a legacy for the sport in the country and the continent;
- Taking place over a whole weekend, the ITU Winter Triathlon events are more than just sports competitions for the athletes. It is also an important development opportunity from the grassroots to elite level, giving athletes from a wide range of age groups the opportunity to race. The entire occasion is a visual spectacle designed to inspire and motivate, from the experienced to the newcomer.
TELEVISION AND MEDIA

TELEVISION

• The hosts own the domestic television rights for the event. ITU will retain international rights and will do its best to generate international interest and create global coverage;

• Domestic television production and distribution costs are the responsibility of the Local Organising Committee.

• The Local Organising Committee may provide an internet TV signal free of charge in order for ITU to broadcast the event in its internet TV channel - www.triathlonlive.tv

NEWS

Online news distribution is available for the event if quality footage is provided by the Local Organising Committee.

ONLINE

The event will receive exposure on triathlon.org and official ITU social media channels via news stories, photo galleries and results. If live timing and video are provided, it will be published to triathlon.org at ITU’s discretion.

INTERNET AND SOCIAL MEDIA

The official ITU website (triathlon.org) attracts over 5 million users and 24 million page views annually and growing with the average time spent on the site over 3 minutes greater than the industry average. ITU is one of the few federations to operate a full broadcast channel online (www.triathlonlive.tv).

ITU and the World Triathlon Series have a highly engaged and rapidly growing fan base on social media, meaning our platforms allow substantial promotion of a Host City from a trusted source.
ITU Twitter accounts currently have more than **160,000 followers** worldwide. 26% of our social media audience come from UK, while another 22% is based in the United States, and more than 14% comes from Spain and other Spanish-speaking countries, making our reach consistent throughout the world. This is a really important promotional tool not only for ITU and the races, but also for the Host cities.

The growth of the ITU Facebook channel during the last year has been impressive, with a community of more than **269,000 followers**, plus many more on channels associated with ITU, such as ITU’s Official Store, Multisport, etc. Additionally, ITU publications reach an average audience of over **800,000 people**. Our Facebook channel is a great platform for promotions, as well as for our new Facebook Live videos, which has proven to be an effective tool to engage with our audiences, stakeholders and fans around the world.

ITU also has a very strong presence on Instagram, with more than **228,000 followers** has allowed us to share a unique perspective to promote our sport.

**PRINT**

- The event will receive the support of the ITU Media team;
- The ITU Media Team will write and distribute releases via major international wire services;
- When available, an ITU photographer will attend the event.

SPONSORING

ITU retains the right to have up to three Global sponsors, in the categories of telecommunication, technology, financial services, oil companies, vehicles, insurance, nutritional beverage, running shoes and sport equipment, among others. The Local Organising Committee should facilitate the allocation of spaces within the venue to showcase the ITU Global sponsors.
ITU TECHNICAL ELEMENTS

TECHNICAL ELEMENTS
The key technical elements of a winter triathlon event consist of:

• the competition categories;
• the schedule;
• the course;
• the venue; and
• the associated logistical requirements needed to produce a Winter Triathlon Event at the ITU standard defined in the contract and Event Organisers’ Manual and Competition Rules.

VENUE AND COURSE
The technical requirement of the course and the venue are covered in the Event Organisers’ Manual (EOM) and in the ITU Competition Rules. The use of FIS cross-country ski venue is strongly recommended.

TECHNICAL OFFICIALS
25 Technical Officials will be assigned to the events, arriving at least one day prior to the first competition day and departing one day after the last competition day.

COMPETITION CATEGORIES:
During the Winter Triathlon Event weekend, the following categories must be accommodated:

World Championships: Elite, U23, Junior, Age-Group, Paratriathlon, Mixed Relay

The host city must adhere to all relevant requirements as stated in the:

• Event Organisers Manual;
• Branding Guidelines – Multisport;
• ITU Competition Rules.
SPORT PRESENTATION

• The event should be presented to the on-site spectators by announcers to be approved by ITU. A large video screen greatly enhances the spectator engagement and is recommended;

• The Athletes Introduction and Award Ceremonies must be conducted as per the ITU protocol. ITU will provide such protocols;

• The Local Organising Committee should secure a minimum of two announcers.

COMMUNICATION

• Promotion of the Championships internationally and nationally in the years and months leading up to the event is a joint responsibility of all stakeholders;

• Printed or digital version of the Athletes’ Guide should provide information of the venue/s, including diagrams of the staging and display areas, time schedule for events, a description of each event and its objective, as well as competitor profiles for the top-ranked athletes;

• During the planning period, the Local Organising Committee must maintain effective communication with all external parties, including ITU, National Federations, government entities, professional contractors, vendors, sponsors and media.
LOCAL ORGANISING COMMITTEE RIGHTS

REVENUES

The event has the potential for generating revenue over expenses when well marketed. It provides a good opportunity to reduce overhead expenses by attracting support from government and commercial entities. It is the responsibility of the Local Organising Committee to market it effectively. All revenues from successful marketing will go directly to the Local Organising Committee.

The Local Organising Committee entitled to receive 100% revenue from the following sources but not limited to:

- Sponsorship (including event title sponsor);
- Public institutions;
- Entry fees from the athletes;
- Hotel commissions;
- National media and television rights sales;
- Merchandise sales;
- Finisher pictures’ sales;
- Food and beverage sales;
- Ticket sales;
- Expo.

INTELLECTUAL PROPERTY

The Local Organising Committee has the right to use the official name from the day of contract signature until six months after the last day of the event.

BRANDING

- The Local Organising Committee is entitled to use at least 70% of the advertising space on the field-of-play and on-site branding (ITU retains maximum 30%).
- Details about the branding can be found in the ITU Multisport Branding Guidelines.

TELEVISION AND MEDIA

The hosts own the domestic television rights for the event.
