WELCOME

WELCOME FROM AJ BELL
WORLD TRIATHLON LEEDS 2021

Welcome to the AJ Bell 2021 World Triathlon Leeds. Following last year’s postponement, we’re really excited for you to join us in Roundhay Park for this festival of triathlon where a packed weekend will see the park transformed into a hub of triathlon.

As an organising team, we’ve worked hard to ensure that the event is Covid-Secure, so that you can take part knowing you’re in safe hands whilst having the same great experience. The brand-new courses and entire event process have been designed to give you the physical challenge you’re after in an environment that participants, volunteers and staff can feel comfortable in.

There have been so many people from British Triathlon, Leeds City Council, World Triathlon and UK Sport involved in helping to make this year’s event possible, and there will be even more volunteers and officials involved across the weekend to support you. My sincere thanks go out to everyone involved in what will be an event like no other.

I hope you have a great race and enjoy the Roundhay Park experience.

WAYNE COYLE
Event Director,
AJ Bell 2021 World Triathlon Leeds

WELCOME FROM BRITISH TRIATHLON

AJ Bell 2021 World Triathlon Leeds is Britain’s flagship triathlon event and I’m delighted to welcome you as you join us for our fifth year in the city. Covid-19 has meant many of you will have had few or no swim, bike, run events to take part in for the past year or so, which is why it’s so exciting for me that we’re able to host this year’s event to help bring the sport together again.

The breadth of the swim, bike, run community will be on full show in Leeds this year, so whether you’re a first-timer giving the sport a go, an elite athlete heading to Tokyo this summer or anywhere in-between, you’re in for a treat as Roundhay Park becomes the centre for the world of triathlon on 5 and 6 June.

Good luck with the rest of your training, and whatever you’re aiming to get out of the event, I hope you’re able to do so.

BILL JAMES
Chair of British Triathlon
WELCOME FROM LEEDS CITY COUNCIL

After an incredibly challenging time in 2020, which unfortunately resulted in the cancellation of last year’s event, we are incredibly excited to be welcoming back the AJ Bell 2021 World Triathlon Leeds on 5-6 June.

We are particularly delighted that for the first time, elite paratriathletes will be taking to the start line for the World Triathlon Para Series which is a very welcome inclusion to the biggest celebration of triathlon in the UK.

Another exciting change is that all the races will start and finish in Roundhay Park. Staging the event in and around the park means that we are able to create a Covid-19 secure area within the event perimeter, complemented with social distancing and increased hygiene measures in-place across the whole site.

It is hard to believe that this will be the fifth year that Leeds plays host to this incredible event and we look forward to welcoming everyone and hope everyone enjoys the event and their time in our fantastic city.

Finally, I would like to thank everyone involved in the planning of this year’s event, these are unprecedented times and I know this would have been impossible without the hard work and commitment from so many people.

WELCOME FROM AJ BELL

At the heart of AJ Bell is a mission to help people to invest in their future. The last 18 months has highlighted the importance of planning for tomorrow, and our range of investment products – including ISAs, pensions and dealing accounts – continues to help thousands of people build a financially-secure future.

The pandemic has also reminded us all how important it is to invest in our health as well, and we believe that by partnering with sporting events, teams and athletes, we have an opportunity to raise awareness of the positive impact that keeping active can have on our physical and mental wellbeing.

After a year of restrictions on how we exercise and a world dominated by home workouts, the AJ Bell World Triathlon Leeds 2021 feels really special. It is the result of an enormous effort from a huge number of people, and I would like to thank everyone involved for pulling it together and making it happen.

Now it’s over to you: the athletes who have put in the hard graft with the ultimate reward of experiencing the finish on the famous blue carpet. Good look – I hope to see you out there!

BILLY MACKAY

Marketing Director,
AJ Bell

COUNCILLOR JAMES LEWIS

Leader of Leeds City Council
WELCOME FROM UK SPORT

It is fantastic to be able to welcome you to the AJ Bell 2021 World Triathlon Leeds. On behalf of UK Sport, I congratulate British Triathlon, Leeds City Council and World Triathlon on delivering an excellent event during these uncertain times. We hope you enjoy racing here as part of your preparations for Tokyo 2021.

UK Sport is proud to use National Lottery funding to help bring the biggest and best sporting events to the UK, they play an important role in supporting homegrown talent and giving fans the chance to see the best in the world compete.

By hosting world-class sporting events like this, we can inspire the nation — and by competing in the event, you are testament to this.

ESTHER BRITTEN
Head of Major Events, UK Sport
GREETINGS AND WELCOME TO THE 2021 AJ BELL WORLD TRIATHLON CHAMPIONSHIP SERIES LEEDS

It is my great pleasure to be able to welcome the triathlon family back to the north of England for another edition of the WTCS Leeds and the first ever Para Series Leeds in this hugely important Olympic and Paralympic year.

The very fact that we are able to stage these races is a result of the hard work of the LOC alongside World Triathlon staff to make it possible and to ensure that the athletes have this important qualification opportunity for the Tokyo Olympic Games. It is so important that all the guidelines and protocols are followed in the coming days and I urge you to always consider the health and safety of yourselves and those around you.

This year we will see a brand new course unveiled, still starting in Waterloo Lake but for the first time staying in and around the beautiful green spaces of Roundhay Park. It will provide a new challenge on what has become a favourite stop on the circuit for athletes and fans alike, and offers a sustainable solution to hosting the world’s most prestigious events in conjunction with a major city like Leeds.

It was local favourite Georgia Taylor-Brown who had the crowds on their feet here in 2019 with a superb run that earned her a debut World Series gold, a feat also matched by Australia’s Jacob Birtwhistle, as he came out on top of a thrilling Elite men’s race. With the Tokyo 2020 Olympic Games on the horizon and vital qualification points available, we can expect even more first-class racing from the world’s best this weekend.

There will also be stacked fields for the first ever WTPS Leeds, as the city hosts World and Paralympic Champions, breakthrough talents and legends of para triathlon for the first time. It is always exciting to debut a new race in the Series, and this course will represent a new test for the biggest names in the sport.

As ever here in Leeds, the action won’t be confined to the Elites. The weekend will feature something for triathlon enthusiasts of all ages and abilities, with youth and open races on Saturday as well as the aquathlon and British Championships. It is through great occasions like this we can continue to underline triathlon’s accessibility as a sport that anyone can enjoy, regardless of age or gender.

I would like to thank British Triathlon, the Local Organising Committee and the city of Leeds for bringing another great triathlon weekend together, and all of the volunteers for their hard work. I wish everybody the best of luck over the coming days and hope that you enjoy this beautiful city safely and responsibly as it hosts the spectacle of the World Triathlon Championship Series.

GENERAL INFORMATION

BEFORE YOU TRAVEL TO THE UK

- Please make sure you have booked your Day 2 and 8 PCR Tests using the link in this guide
- Make sure you have filled in your passenger locator form
- Make sure you have conducted a PCR test within 72 hours of travelling to the UK and have written evidence of the negative test in English
- Have your letter of support from the British Triathlon Federation with you to present at border control
- Make sure you have booked your transportation and accommodation

WHEN AND HOW WILL EVERYONE ENTER THE BUBBLE?

WHEN?

The bubble will be open from Tuesday 1 June and close on Monday 7 June. If National Federations arrive outside their core times but within the bubble operational times, they can join but at their cost and with the LOC’s agreement. However, please be aware that there is no access to training venues. If they arrive before Tuesday 1 June, they will need to follow full quarantine regulations.

All Championship Series -
Athletes and support staff core times Friday June 4 – Mon 7 June

HOW?

All transport should be booked through our designated travel partner Nirvana

International Arrivals – using designated event transport (either using the shuttle or hire vehicles)

UK based – personal transport.
WHAT IS THE TESTING REGIME FOR JOINING THE BUBBLE?

There is a new legal requirement in the UK for everyone to complete a PCR test on Day 2 and on Day 8 of their arrival into the country.

Your arrival date is day 0, meaning that if a Federation arrives on Thursday 3rd June, they will need to take a PCR test on Saturday 5th June. If they depart prior to Day 8, they do not need to take a Day 8 test.

This can then also act as their ‘Fit to Fly’ PCR test for their return journey.

All international arrivals must include evidence of their booked PCR test on days 2 and 8 in order to enter the country. This will come in the form of a unique reference code and must be added to a passenger locator form, which must be filled out prior to arrival.

The booking for this can be found using the link below:

PCR TEST BOOKING

Clients will need to enter the password “leeds2021” to be allowed access to the page.

Once inside, they can book their tests with our testing provider who will be based at the hotel. When booking they will have to book each test separately in quantities of one, this allows us to capture the details we need for each individual and they can then pay for them as a collective at the end.

Once they have booked this package, they will receive an order number for their passenger locator form, the link to this form is in the description of the item, if they enter their order number using the prefix “MEDIC” they will have met all the requirements for entry into the United Kingdom.

We need to set a deadline of May 21st for all National Federations to have booked and paid for their test.
WORLD TRIATHLON PRE-EVENT COVID-19 SCREENING PROCESS

As has been communicated to everyone at the beginning of the season, all athletes along with the support staff applying for accreditation to a World Triathlon or Continental Triathlon event must respect the following pre-event Covid-19 screening conditions (as a minimum):

Fill in the online pre-event questionnaire.

Perform an Antigenic or PCR swap pre-travel test within 72 hours before the athletes’ travel to the event or no later than 6 days before the event for local athletes/team support and NTOs. Tests that must currently be taken to gain entry to a country are valid as pre-travel tests.

All athletes must submit a pre-travel medical certificate through the World Triathlon registration system according to the specifications listed in the World Triathlon Covid-19 guidelines.

World Triathlon has developed an online tool for the World Triathlon pre-event Covid-19 screening process. Please follow the instructions below based on your role at the event to learn how to submit the questionnaire and upload the necessary documents.

WHAT HAPPENS IN THE CASE OF A POSITIVE TEST?

- If a positive test is received at any point during the event period, isolation in their bedroom will be enforced immediately and a PCR test will be implemented as confirmation that the participant or member of support staff needs to isolate in their bedroom for 10 days.
- As per government guidance “close contact” means having face-to-face contact with someone less than a metre away (even if a face-covering or face-mask is worn) or being within 2 metres of an infected person for 15 minutes or more.
- If team members require additional medical treatment, this should be requested through the LOC.
- Paramedics are on hand at all times in the event hotel.
- If a team member needs to be transferred to hospital, the LOC will call 999 and summon an emergency vehicle.
WHAT HAPPENS ONCE YOU ENTER THE BUBBLE?

Hotel
All are required to stay in their hotel rooms.

Meals
You will be asked on arrival of your preferred meal times. Breakfast, lunch and dinner will be collected at your allocated times from the restaurant area and eaten in your room. If you wish to order additional food through take away services, these can be ordered to the hotel and delivered to your bedrooms.

The food offering is a served buffet with a variety of options to cater for all dietary requirements.

Training
There will not be access to training venues. Athletes will be able to use bike trainers in their bedrooms.

Familiarisation
Transport will be provided to/from Swim and Bike Familiarisation. Refer to the transportation section on page 23 for further information. Alternatively, those who have booked their own transport through Nirvana can travel to the venue using their own transport, but will need to request a Vehicle Access Pass prior to arriving in the UK via the LOC. If you are driving a vehicle to familiarisation, you must go straight to the venue and not stop at any point. The route you should follow can be found using the link below. All vehicles should park off the road and display their Vehicle Access Passes clearly.

DEPARTURE FROM THE BUBBLE

Anyone who needs a PCR test and fit to fly certificate for their onward journey will need to purchase this prior to arrival into the UK. Please use the link on page 8 to book this.

CONSEQUENCES OF NOT ABIDING BY THE BUBBLE RULES

Any member of the bubble who breaks the rules will have their accreditation removed and athletes will be withdrawn from their race.

## ACCREDITATION

All Elite Athletes will be provided with official event accreditation to facilitate access to certain venue areas. Accreditation cards are number coded and provide access to specific areas of the competition areas.

All accredited persons are required to carry their accreditation cards with them at all times and to show them upon request. This includes the hotel.

**Note:** Coaches and medical teams need to register via their NF on the World Triathlon online registration. No accreditation will be handed over if the names are not on the World Triathlon list.

Accreditation will be issued post receipt of a negative lateral flow test at the hotel on arrival.

One coach and one team medical will be accredited per team.
Introducing the Smart XC60

A refreshed design with new intelligent features, the XC60 comes with Google apps seamlessly integrated, so you can get directions to your next event using your voice. And the superb in-car sound with Bowers & Wilkins will help to get you in the zone.

TRAINING

Due to Covid-19 restrictions and the implications on the elite athlete ‘bubble’ there will unfortunately not be any access to training venues other than for event familiarisation sessions. Athletes can use bike trainers in their rooms.

COURSE FAMILIARISATION

BIKE FAMILIARISATION

This will take place on Saturday 5 June between 06:45 – 07:15. Athletes will need to use provided event transport (see table below) or take private transport to Roundhay. They must not ride there or use public transport. All vehicles will need to arrive into the venue via Wetherby Road Gate into Carriage Drive - Postcode: LS8 2JX.

VENUE ROUTE

For all private vehicles, please request Vehicle Access Passes through the LOC prior to your arrival.

SWIM FAMILIARISATION

The swim course familiarisation will take place in Waterloo Lake, Roundhay Park from 17:00 -18:00 on Saturday 5 June.

Transportation is provided for athletes and coaches/staff who have venue accreditation only from the hotels to Roundhay Park and return. You must show your accreditation to use this service.

For full transportation information, please refer to the transport section at the end of this document.

Athletes must report to the athlete lounge to register for swim familiarisation.

Only accredited people will be granted access to the athlete lounge.

During the swim course familiarisation, there will be lifeguards and swim safety in place.

Please note: Swimming in Waterloo Lake outside of the swim familiarisation at any time is forbidden.
MEDICAL SERVICES

First Aid and Emergency Medical Services will be available to anyone requiring medical assistance at either the hotel and venue for the duration of your stay, before & during competition hours.

Medical and paramedic personnel will be available throughout competition times. Several ambulances will be available to provide emergency transfer to hospital. A medical tent will also be provided on site at the finish area.

If you require medical assistance during your stay in Leeds, outside of competition hours, please contact the LOC Office. Medical resource is available on call in the hotel.

BIKE MECHANIC SERVICE

A bike mechanic will be present at the Athlete Lounge during open hours on competition day and during bike course familiarisation.

If you need help outside these hours please contact the LOC Office.
TRANSPORT

Various shuttle buses will be in place to transport athletes and coaches between venues. Teams will be placed in groups which will be allocated on your arrival with specific times for bus shuttles. Below you will find a shuttle bus schedule and maps of the pick-up/drop off locations, which can be found at the end of this guide. Any hired cars can park within The Clayton Hotel.

If you wish to drive your car to the venue, please use the map on page 9 to arrive via Wetherby Road. You will be asked to park inside the park close to the swim start.

RULES
The AJ Bell 2021 World Triathlon Championship Series Leeds will follow the latest published competition rules from World Triathlon.

TRANSPORT
Various bubble protocol shuttle buses will transport athletes to Roundhay Park and coaches to/from Roundhay Park during the race weekend. Only Venue Accredited personnel will be allowed to access the bubble transport. Full information on shuttle bus pick-up and drop-off including locations and times can be found in the transport section on page 23.

START
The start area is on the northwest of Waterloo Lake in Roundhay Park. The start process will be a dive start from a pontoon. The Head Referee with the assistance of World Triathlon Technical Officials, will start each race.

SWIM COURSE
Elite athletes will swim two laps of the course which totals 1500m in an anti-clockwise direction. You can see the course map at the end of this guide. Athletes can leave their pre-competition bags at the Athlete Lounge.
During June, the water temperature in Waterloo Lake is expected to be 17°C – 27°C.

BIKE COURSE
The bike course is 9 laps, of 4.2km per lap - total distance 37.8km.
The course is technical and hilly with a steep ascent at the start of each lap and a steep descent into transition at the end of each lap. The course is narrow and technical with several out and back sections on each lap utilising Carriage Drive, New Walk, Princes Avenue, Park Avenue and West Avenue.

WHEEL STATIONS
The neutral wheel station on the bike course will be on located on Princes Avenue. The team wheel station is located just after Transition on Carriage Drive. Wheels can be dropped here during the opening of the Transition check-in.

RUN COURSE
The start of the run course is a 800m uphill run towards the finish area at the Mansion from transition. There are then 4 laps of 2.3km using New Walk and Princes Avenue.

VIEW ROUTE MAP HERE
AID STATIONS & LITTERING ZONES

There will be two aid stations on the run course.
One placed at the end of each lap on New Walk and the other placed on the far end of the run course on Princes Avenue.
A littering zone will be attached to each aid station and these areas will also serve during the bike course.

FINISH

Timing chip removal must be done by the athlete, who must deposit the timing chip to a specific bin close to the exit of the post-finish area.
• All recovery stations will be self-served.
• Massage facilities will not be provided.
• Athletes must avoid lying or sitting down on the blue carpet (without any medical need/problems). Any non-accredited persons can watch the event from the spectator’s areas.
• A minimum number of volunteers will be available to support the athletes and make sure that the athletes are not congregating at the post finish area. These volunteers will wear rubber/disposable gloves and masks/mouth-nose face covering.
• Masks will be distributed to the athletes to wear at their earliest convenience.

PENALTIES

The penalty box is located immediately prior to the finish chute on New Walk.

WEATHER CONDITIONS

The weather in Leeds during June can be unpredictable. The average temperature is 12°C, but temperatures vary and rain is possible during June. Come prepared for all eventualities.
For weather forecasts go to www.metoffice.gov.uk

COACHES AREAS

There are coaches areas in the following locations:
• Swim Start
• Transition - Lakeside Car Park
• Bike Course at the Team Wheel Station
• Run Course prior to penalty box
