

PRINCIPLES AND VALUES ASSOCIATED WITH CLEAN SPORT

Whatever your sport and wherever you come from, we all share the same principles and values of clean sport. This is a notion shared by the whole sport community throughout the world.

How do you decide to play?

When you decide to adhere to the rules of clean sport, you also decide to respect the values of *fairness, equity, ethic, honesty* and *perseverance*.

Who is actively fighting against doping ?

All *anti-doping organisations (ADOs)* are actively fighting against doping in sport and working to spread the values and principles of clean sport daily.

The anti-doping movement is governed by the *World Anti-Doping Agency (WADA)* with the mission to lead a collaborative worldwide movement for doping-free sport. They set up rules that the all ADOs must respect.

World Triathlon, your national anti-doping organisation (NADO) and all other ADOs play a huge role in anti-doping by instilling the values of clean sport. They also the spread the importance of clean sport to all stakeholders. By educating our athletes, coaches, support personnel, medical teams, National Federations, we deliver a message of health and fair play.

YOU! As an athlete, you also have a very important role to play in clean sport. First of all, by refusing to dope yourself, but also to spreading your knowledge of clean sport to others helps keep triathlon stay clean.

It is also your role to [report](#) doping if you are witnessing it: you can help protect the athlete taking a prohibited substance as well as your sport by upholding the values of clean sport.
