- Holder of a full driver's license (comparable to the German class B license)
- Willingness to travel in accordance with the requirements of the ITU Race Calendar is essential
- Knowledge of the German language is welcome but not essential. A willingness to learn German language skills is however a requirement

#### Job Specification:

- Primarily responsible for the direction and development of Olympic Triathlon in Germany on a National and International level
- Team Leader of the Elite Triathletes in competition
- Responsibility for coordinating, monitoring and regulating the training process of the Elite Athletes through their respective training centre or regional coaches
- Responsibility for coaching and support of selected Trainingcamps, competition and testing
- Close cooperation with the Junior and National Team Coaches and the wider German Triathlon Coaching Team
- Realise targets as set by the High Performance Director
- Development of Training Strategies
- Organisation and administration in cooperation with the Triathlon Program Manager
- Participation within the DTU's committees and close cooperation with DTU staff
- Support with the Training and Development of Coaches
- Participation in diverse Performance Sport committees and working groups within the DTU and Internationally

Salary according to the standards set by the National Olympic Committee and Federal Ministry of the Interior.

The position is to be filled on a long-term basis but is **initially limited until 31.12.2020** with an **option to extend to 31.12.2024**.

This is an exciting opportunity to work in an increasingly popular sport, in a challenging role where for the first time in Tokyo 2020 Triathlon will not only have an individual event at the Olympic Games but also a Mixed Team Relay. As part of a dynamic team, you will be able to help steer the development of high performance sport in Germany.

Applicants interested in this role who are able to take on a high level of responsibility and have a proven ability to work well within a team, should email their application to Dr. Jörg Bügner (Performance Director) no later than **5pm on 31st August 2018**.

Applications should include:
