

ENTRY PROCESS FOR AGE-GROUP ATHLETES

NATIONALITY REPRESENTATION

- The World Triathlon Constitution states that:

28.1. Where an athlete:

a. Wishes to represent a NF other than the NF to which they originally belonged, they must reside in the country of the subsequent NF for at least three years after the date they last represented the original NF in any sanctioned event.

b. Holds or is legally entitled to hold citizenship of two or more countries, provided that it is at least three years since the athlete last represented the first NF in any competition.

According to this:

- National Federations will enter athletes for the World Championships according to their internal regulations and qualification systems
 - Athletes will represent the NF of the Nation they are citizen of or in which they reside
 - In cases that the athlete's nationality is different to their Nation of residence, or if the athlete has more than one nationality, the athlete has the possibility to represent either NF, if it is their first time competing in a World Triathlon event. Otherwise the athlete has to represent the NF he/she represented before or he/she goes through the change of representation process.
- Specific cases

 - Representing Nation A according to their internal regulations and qualification systems
