* The ITU Technical Committee may lower the requirement in certain cases

** The Olympic procedures are using the terms of National Technical Officials (NTOs) and International Technical Officials (ITOs). These Olympic terms are not referred to the official's level but to their nationality. "NTOs" means the ones from the host country and "ITOs" means those from abroad.

*** Two (2) TDs may be assigned to continents with small number of ITU events as Oceania and Africa.
