

## ITU TESTING POOLS CRITERIA

v2019-01-01

The following criteria determines the Triathletes listed in the ITU Testing Pools, either ITU Registered Testing Pool (RTP) or ITU Testing Pool (TP).

- Triathlon Men
  - Top 30 Elite Men from 2018 ITU Ranking
  - Top 30 Elite Women 2018 ITU Ranking
- Para-Triathlon
  - Top 3 Para Men from 2018 ITU Ranking – 2020 Paralympic Classifications
  - Top Para Man from 2018 ITU Ranking – non 2020 Paralympic Classification
  - Top 3 Para Women from 2018 ITU Ranking – 2020 Paralympic Classifications
  - Top Para Woman from 2018 ITU Ranking – non 2020 Paralympic Classification
- The ITU Risk Assessment
- The Athlete Biological Passport for each athlete

*\*The ITU reserves the right to add any athlete that falls under their jurisdiction to the Testing Pools based on test results (urine and/or blood) and/or performance.*

The ITU reviews the Testing Pools as necessary and will modify based on performance and/or test results (urine and/or blood).
