## ITU Whereabouts Requirements for Testing Pools

v.2019-01-01

All *International-Level Athletes* (as defined in the *ITU Anti-Doping Rules*) are subject to year round out-of-competition testing.

The ITU has identified in its Test Distribution Plan (TDP) three tiers of Triathlon athletes.

- i. Tier 1: Athletes that the ITU requires full Whereabouts information from, also referred to as the **ITU Registered Testing Pool (ITU RTP)**
- ii. Tier 2: Athletes that the ITU requires limited Whereabouts information from, also referred to as the **ITU Testing Pool (ITU TP)**
- iii. Tier 3: Athletes that the ITU does not require Whereabouts information from
