## COVID-19 SPECIFIC:

### 1. PRE-EVENT MEDICAL CERTIFICATE FOR PARTICIPATING

Due to the current situation of the COVID-19, the World Triathlon Medical Committee has made mandatory for all athletes to submit a pre-event medical certificate for participating in the event:

- The medical certificate must be issued in English by the National Federations' medical staff or a personal doctor and submitted to the responsible person assigned by World Triathlon at the time of the race package distribution. Alternative, the medical certificate can be submitted electronically to World Triathlon at ([sport@triathlon.org](mailto:sport@triathlon.org));
- The certificate must declare that the athlete has been examined and he/she has not tested positive to PCR nasopharyngeal swab test and/or is not in quarantine and has been without any COVID-19 symptoms for the previous 14 days;
- The certificate must be signed by a doctor and the athlete and should be produced no later than 72hs before the person's travel day to the event; • In case of previous positive PCR nasopharyngeal test, the athlete must provide two negative PCR tests:
  - One must take place prior to the medical examination in order for the doctor to take in consideration for signing the certificate; -
  - The second must be issued as close as possible to the event's date; -
  - Please note that we are requiring the athletes to submit PCR test results, **ONLY in the case of a previous positive PCR test. In all the other cases, the athlete must submit only the medical certificate;**
- A sample of the Pre-Travel Medical Certificate can be found in Appendix 1 of the [World Triathlon COVID-19 guidelines](#);
- In cases where this certificate is not provided, the athlete will not be allowed to compete.

In case, any athlete, staying already in Spain, LOC will provide a doctor in order to go through a control and fill in the certificate. Please contact the Medical Services through the following phone number +34 637 22 56 90 (Serveis Sanitaris Morvedre)

### 2. Pre-event questionnaire

On the race week all athletes, coaches and team medical should fill in the pre-event questionnaire at [https://docs.google.com/forms/d/1gkxqQZi\\_82DJ2VNey4xh9b-eALjRlxUJblxqfquBVF8/viewform?edit\\_requested=true](https://docs.google.com/forms/d/1gkxqQZi_82DJ2VNey4xh9b-eALjRlxUJblxqfquBVF8/viewform?edit_requested=true)

### 3. Athlete's waiver

All athletes are required to read and sign the athletes' waiver for competing at the event which can be found [here](#). You can bring the signed paper at the race package distribution or sign one on the spot. Please note that it is mandatory for the athletes to sign the waiver in order to collect their race package.

### 4. COVID-19 Testing at the event

After a request from the Local Organizing Committee and the Spanish Triathlon Federation, and approval from World Triathlon, a Covid 19 test will be conducted to all participant athletes.

The test will take place at the venue, it will be mandatory for all athletes and will follow the specific procedure:

- a. You will go through an antibody test on Thursday afternoon, according to the time table assigned to the race package delivery, please check the table in 2.4. For this test a blood sample will be taken by a finger puncture.
- b. The antibody test will produce results on site 5 to 10 minutes after the sample collection. The result of the test will determine the subsequent actions.
  - i. Negative result. The test is finished and no more actions are needed.
  - ii. Invalid test. The test will be repeated.
  - iii. Positive result. A PCR swap confirmation test is required. You will go through a PCR test at the same location. Following this, you must remain isolated in your hotel room till the results are published, which will be on Friday afternoon.
    - PCR negative: you will be allowed to compete and no additional actions are required.
    - PCR positive: the isolation continues, the health authorities will be informed and you will need to follow their instructions and guidelines. You will not be allowed to compete.

For any clarifications, please contact Alicia Garcia [alicia.garcia@triatlon.org](mailto:alicia.garcia@triatlon.org)

### 5. Health Screening

Temperature and Oxygen saturation level checks will be performed every time the athletes and coaches are entering the site including at the times of the athletes' package distribution and familiarizations. Saturation levels lower than 95% and a temperature above 37.5°C will be reported to the RMD/MD.

### 6. Cleaning protocols on site

All facilities used by the athletes will be cleaned and disinfected by the LOC through the day.

## 2. VENUE

### 2.1. RACE VENUE

The venue is located at the Marina Real Valencia.

Marina Real Juan Carlos I Street

<https://goo.gl/maps/zV1bGuTjqacQ6SZv8>  
<https://w3w.co/islotes.baúl.tinte>

Located between the commercial port of the city and its promenade is La Marina de Valencia, leading area of the city with big spaces to walk, ride a bike, enjoy local cuisine and practice nautical and sports activities.

As a result of the modernization of the Port to host the 32nd America's Cup, Valencia has this space where culture, training and entertainment are combined with sports, tourism and gastronomy.

The most emblematic building is the Veles e Vents, a symbol of contemporary architecture in Valencia and a cultural container, where there are exhibitions, live music, theatre, conferences and dance.

In the area there are many restaurants, first class hotels and the Marina Beach Club.

In addition, it has become a regular venue for sporting events such as Valencia Triathlon, which in 2020 hosts the ITU Triathlon World Cup.

## 2.2. COURSE FAMILIARIZATION

Due to the COVID-19 outbreak the bike familiarization is not going to take place. We are going to record the course and give the opportunity to ride virtual through our partner platform Bkool.

The video will be released on Thursday 5th of November on the World Triathlon event page.

Swim course familiarization will take place on Friday; at 16.00 at the venue.

## 2.3. ATHLETE'S LOUNGE

Will be allocated at the venue, and will be divided in two; one for men, one for women.

## 2.4. EVENT BRIEFING & ATHLETES' RACE PACKAGE

### COVID-19 specific:

Athletes briefing will be virtual and it will take place on Thursday 5th of November at 17:00 local time. Please register for the athletes' briefing [here](#). The recording of the briefing and the presentation will be available after the session [here](#).

Athletes' race package will be distributed at the venue according to the following schedule and it must be collected by the athlete. The use of mask and social distancing is mandatory:

18:00 – 18:15:	<b>AUS, AUT, BEL, BER, BRA</b>
18:15 – 18:30:	<b>CHI, COL, CZE, EST, FRA, GBR, GER</b>
18:30 – 18:45:	<b>ESP Women</b>
18:45 – 19:00:	<b>ESP Men</b>
19:00 – 19:15:	<b>HUN, ISR, ITA, LUX</b>
19:15 – 19:30:	<b>MEX, NOR, PHI</b>
19:30 – 19:45:	<b>POL, POR, ROU, RSA, RUS</b>
19:45 – 20:00:	<b>SLO, SUI, SYR, UKR, USA, VEN</b>

## 2.5. DOPING CONTROL

Doping tests will be conducted according to World Triathlon/WADA rules. The athletes must carry their identification to the doping control facilities.

## 2.6. SECURITY

Local Police from Valencia, Policía Nacional and emergencies service, will provide the security for the event.

## 2.7. LOC OFFICE

LOC office will be allocated at the main venue and will be open from Thursday till Saturday, from 10:00 to 14:00 and from 16:00 to 20:00.

## 2.8. BIKE MECHANICAL SERVICE

There will be bike mechanical service at the venue on race day and during the swim familiarization

## 3. ACCOMODATION

## 14. COURSES MAPS

### START

The mask should be worn until the last minute before athletes' introduction. Please make sure that you will wear your mask after the warm-up.

The start, will be a pontoon start. The Head Referee with assistance of Technical Officials, who are assigned to the start, will start each race.

### SWIM COURSE

The swim course has two laps of 750 m., clockwise.

The average water temperature for November is 18°C

### TRANSITION 1

A flow through transition has been developed to keep athletes moving forward. Athletes enter the transition and must deposit swim gear in the bin placed beside the bike racks. Athletes' names and numbers are displayed on the top of each bike rack. After the helmet is secured, athletes may un-rack their bikes and move forward into the centre lane and towards the mount line. The transition zone has individual bike racks.

The racks will be individual.

### BIKE COURSE

The bike course is totally flat, with 4 laps of 5 km.

### TRANSITION 2

From the dismount line, run through T2 and rack the bike.

### RUN COURSE

The run course is totally flat, with 1 lap of 5 km.

### WHEEL STATION

- There will be 2 wheel stations:
- Team Wheel Station next to the venue
- 1 Neutral Wheel Station, served both sides, at the start of Avenida del Puerto. At the neutral wheel stations, all wheels will be disinfected before being delivered to the specific locations. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete.
- At the team wheel station, the volunteers and TOs present at that location must not have any contact with the team wheels. The team representatives

are responsible for disinfecting the wheels prior to depositing them at the wheel station. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete.

- In both cases, the wheel that is left behind by the athlete will be disinfected by the TO before being deposited at the station.
- Technical officials will wear masks/mouth-nose face covering and rubber/disposable gloves

### **RUN PENALTY BOX**

There will be bike penalty box at the venue before the end of the lap

### **AID STATION**

There will be 2 aid stations per lap.

### **FINISH AREA**

- Timing chip removal must be done by the athlete, who must deposit the timing chip to a specific bin close to the exit of the post-finish area.
- Medalist photo at the post-finish area is not allowed.
- All recovery stations will be self-served.
- Food provided will be individually wrapped
- Massage facilities will not be provided.
- Athletes must avoid lying or sitting down on the blue carpet (without any medical need/problems). A minimum number of volunteers will be available to support the athletes and make sure that the athletes are not congregating at the post finish area. These volunteers will wear rubber/disposable gloves and masks/mouth-nose face covering.
- Masks will be distributed to the athletes to wear at their earliest convenience.

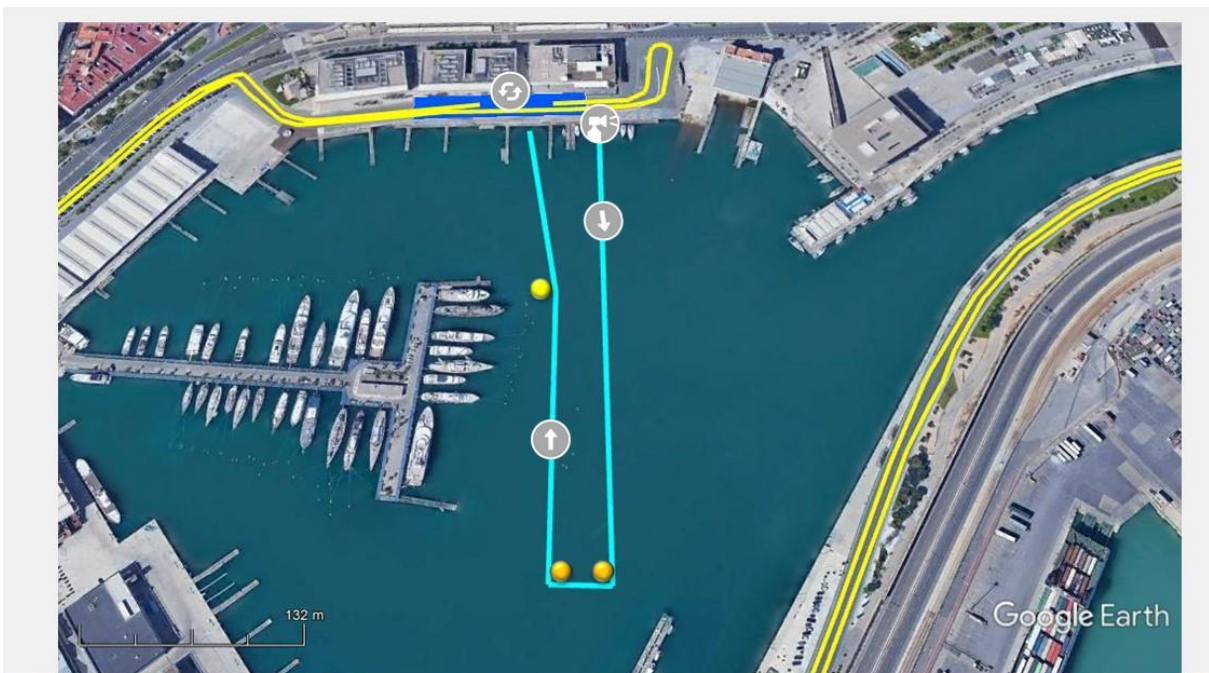

### **MEDAL CEREMONIES**

Medal ceremonies will be performed according to the COVID-19 guidelines for medal ceremonies that can be found on the [World Triathlon COVID-19 Guidelines for Event Organizers](#).

**Swim | 1 lap x 750 m**

**Bike | 4 laps x 4,9 km**
