The event it is not considered "High level event" for the Spanish Government as it is Junior category, so, no certificates will be issued by Spanish Government to attend the race, but all people vaccinated will be able to enter in Spain, despite de restrictions in place in each moment.

COVID Coordinator: For any question related with COVID restrictions and travel details please contact Alicia Garcia [alicia.garcia@triathlon.org](mailto:alicia.garcia@triathlon.org)

### **RISK ASSESSMENT AND MITIGATION**

Banyoles "Local Organizing Committee (LOC)", use the WHO risk assessment and risk prevention checklist for "mass gatherings" in the framework of the covid-19 document to design the event.

The organization is implementing its activities to comply with local health authority protocols and minimize the risk of pandemic spread, keeping participants and the public safe and healthy.

A careful management of the schedule and access times of the participants will be implemented to access the competition areas with an adequate social distancing and an immediate exit once finished. The waiting areas will be restricted and controlled by volunteers or security personnel.

Data collection systems (addresses - Phone - Mail) will be used to manage the contacts of everyone involved in the event. This includes athletes, technical officials, coaches, volunteers, staff, authorities. This would ensure that we can trace back to the people potentially involved if a suspicious case is identified. If is confirmed, the protocol established at the moment by the health authorities will be executed.

### **PARTICIPANTS' HEALTH SCREENING**

Athletes must continuously monitor their health status (including temperature detection and monitoring of any symptoms) from 14 days before and during the event.

For information about travelling to Spain, see the "TRAVEL" chapter of this guide.

Temperature check will be carried out every day at the entrance of the venue.

Temperature higher than 37.5°C will be reported to the Medical Director and Medical Staff of the event.

A health coordinator will be appointed within the medical team. He will be responsible for coordinating and monitoring compliance and enforcement of health safety regulations.

Registration procedure: Athletes, coaches, and technical officials, will follow World Triathlon procedures. volunteers, staff, media, and authorities, will be registered online through a specific application.

Due to the current situation of the COVID-19, the World Triathlon Medical Committee has made mandatory for all athletes (including Spanish athletes) to submit a pre-event medical certificate for participating in the event:

- All individuals (except for the LOC, its volunteers and contractors) applying for an accreditation to World Triathlon and Continental Triathlon events must respect the following conditions:
  - Fill in the online pre-event questionnaire through the link that is provided by the LOC
  - Perform an Antigenic or PCR swap pre- travel test within 72 hours before the athletes' travel to the event or no later than 3 days before the event for local athletes/team support and NTOs. Tests that must currently be taken to gain entry to a country are valid as pre-travel tests
- Additionally to this, all elite/u23, junior, youth, para triathletes and guides must submit a pre-travel medical certificate according to the requirements above
- Finally all elite/u23, juniors, youth, para triathletes and guides, coaches, team medical and support NF personnel must perform an Antigenic pre-race test at the arrival in the hosting city. In case of a positive result, a PCR swab test must follow. Time and place for these tests will be determined by the LOC. For the youth and junior athletes, a parent consensus form is required.
- We will continue to respect the decision/rules of the local public health of the host country
