Procedures to enter in Spain

1. For **ALL** travelers: The Government of Spain has implemented a series of measures to protect the general public's health, including health control of passengers upon arrival in Spain. From this website you can fill out the health control form and obtain your QR Code, to show it at the checking points in the airport before to flight to Spain, <https://www.spth.gob.es/>. By default, this page is in Spanish but you can select French, English or German by clicking in the box "Elija Idioma".
2. Restrictions may change quickly, so you need to check the restrictions from your country to enter in Spain. The event is considered "High level event" for the Spanish Government. All people vaccinated will be able to enter in Spain, despite the restrictions in place in each moment.

COVID Coordinator: For any question related with COVID restrictions and travel details please contact Alicia Garcia alicia.garcia@triatlon.org

RISK ASSESSMENT AND MITIGATION

Extremadura "Local Organizing Committee (LOC)" uses the WHO risk assessment and risk prevention checklist for "mass gatherings" in the framework of the covid-19 document to design the event.

The organization is implementing its activities to comply with local health authority protocols and minimize the risk of pandemic spread, keeping participants and the public safe and healthy.

A careful management of the schedule and access times of the participants will be implemented to access the competition areas with an adequate social distancing and an immediate exit once finished. The waiting areas will be restricted and controlled by volunteers or security personnel.

Data collection systems (addresses - Phone - Mail) will be used to manage the contacts of everyone involved in the event. This includes athletes, technical officials, coaches,

volunteers, staff, authorities. This would ensure that we can trace back to the people potentially involved if a suspicious case is identified. If confirmed, the protocol established at the moment by the health authorities will be executed.

PARTICIPANTS' HEALTH SCREENING

Athletes must continuously monitor their health status (including temperature detection and monitoring of any symptoms) from 14 days before and during the event.

For information about travelling to Spain, see the "TRAVEL" chapter of this guide.

Temperature check will be carried out every day at the entrance of the venue.

Temperature higher than 37.5°C will be reported to the Medical Director and Medical Staff of the event.

A health coordinator will be appointed within the medical team. He will be responsible for coordinating and monitoring compliance and enforcement of health safety regulations.

Registration procedure: Athletes, coaches, and technical officials, will follow World Triathlon procedures. Volunteers, staff, media, and authorities, will be registered online through a specific application.

Due to the current situation of the COVID-19, the World Triathlon Medical Committee requires for this event:
