

# **Triathlon Holten 2022**

## **Europe Triathlon Junior Cup and Europe Triathlon Premium Cup**

### **COVID-19 Concept paper (June 23, 2022)**

#### **INDIVIDUAL RESPONSIBILITY**

The event will follow the latest published [Prevention guidelines for Event Organizers](#) for COVID-19 of the World Triathlon.

Also, the event is under the LOCAL/REGIONAL AUTHORITY regulations, which is the authority with competencies in terms of health [www.rivm.nl](http://www.rivm.nl)

In short: social distancing is not mandatory; masks are not mandatory. Self-isolation in case of COVID-19 infection is mandatory.

#### **PROCEDURES TO ENTER The Netherlands**

No specific travel restrictions apply when you travel towards the Netherlands.

**COVID Coordinator:** For any questions related to COVID restrictions and travel details, please contact Folkert Visser, Covid coordinator: [f.visser@triathlonholten.nl](mailto:f.visser@triathlonholten.nl)

#### **RISK ASSESSMENT AND MITIGATION**

The Local Organizing Committee used the WHO risk assessment and risk prevention checklist for "mass gatherings" in the framework of the covid-19 document to design the event.

The LOC is implementing its activities to comply with the local health authority protocols and minimize the risk of pandemic spread, keeping participants and the public safe and healthy.

#### **PARTICIPANTS' HEALTH SCREENING**

See the "TRAVEL" chapter of this guide for information about traveling to COUNTRY.

Registration procedure: Athletes, coaches, and technical officials, will follow WORLD TRIATHLON procedures.

Due to the current situation of the COVID-19, the World Triathlon Medical Committee has implemented some measures for participating in the event:

- All individuals (except for the LOC, its volunteers and contractors) applying for an accreditation must fill in the online pre-event questionnaire through the link that is provided by the LOC
- At pre-race day registration, questionnaires are checked and gathered by ETU/ technical delegate
- We will continue to respect the decision/rules of the local public health of the host country
- All the specific measures can be found in the table below:

Categories	Pre-event questionnaire	Process before traveling	Medical certificate before travelling	COVID-19 test at event	Daily health screening
Elite athletes					
U23 athletes					
Junior athletes	In case of stand alone event only				
Para triathlon athletes/ personal handlers/ guides					
Youth athletes					
AG athletes	n/a				
Coaches/team medical/ support NF personnel	In case of stand alone event only	Respect the travel regulations set by the host country	Follow public health or World Triathlon request	Follow public health or World Triathlon request	Follow public health or World Triathlon request
TDs /ITOs/NTOs/ Competition Jury	In case of stand alone event only				
IF/Continental Federation Delegations	In case of stand alone event only				
LOC/ Contractors	Follow public health request				
Para triathlon swim exit assistants	In case of stand alone event only				

### **CLOSE CONTACT DEFINITION AND PROCESS TO FOLLOW IN CASE OF POSITIVE CASE**

It is an individual responsibility to self-isolate in case of symptoms and positive COVID-19 test. The organization or Dutch health agencies will not perform contact-screening in case of a COVID-19 infection. Contact with a positive case will not lead to mandatory self-isolation or mandatory tests.

### **USE OF MASK/MOUTH-NOSE FACE COVERING AND RUBBER/DISPOSABLE GLOVES**

The use of a mask is not mandatory, not is the use of rubber gloves.

### **ISOLATION TENT AND SUSPICIOUS CASE**

During the event, if a Suspicious Case is identified:

- The Suspicious Case is not allowed to enter or continue the event. A COVID-19 test is recommended, but will not be provided by the LOC. Self-isolation (individual responsibility) is recommended.

During transition or when medical assistance is needed a surgical mask is mandatory (athletes/ team members must have their own).

The definition of suspicious case is in the Netherlands is: Pyrosis (temperature > 38 °C and respiratory complaints).

### **CLEANING AND SANITATION**

Cleaning and sanitization are in place in common workplaces, but are performed as pre-covid. Products (disinfectant and paper) are supplied to perform self-sanitization as pre-covid.

### **VENUE AND EVENT STRUCTURE**

If COVID specific measures are in place for airport transfer, training facilities, Briefing (online-briefing), course familiarization and race package distributions will be described below and in the Athlete Guide:

- No specific COVID measures are currently in place.

### **SPECIFIC RISK MITIGATION PLANNED**

#### **Arrival at the venue:**

no specific COVID measures, except:

- It is mandatory for all athletes to fill in a pre-event questionnaire. At pre-race day registration, questionnaires are checked and gathered by ETU/ technical delegate.
- In case of symptoms (body temperature > 38 °C and reparatory symptoms an athlete must perform a COVID-19 test.
- In case of a COVID-19 infection self-isolation is mandatory.

**Technical Officials:** The event will follow the latest published Prevention guidelines for Event Organizers for COVID-19 of the World Triathlon.

**Seating Areas:** no specific COVID measures appeal for spectators or seating areas.

**Social Distancing:** The recommendations of the health authorities, World Triathlon and Dutch Triathlon Union in their protocols will be followed.

**Races & Sport Presentation:** The event will follow the latest published Prevention guidelines for Event Organizers for COVID-19 of World Triathlon.
