

IMPORTANT

Americas Cup Villarrica 2022

Date: February 20, 2022.

COVID Procedures

For vaccines validation, you must do the procedure by www.mevacuno.gob.cl

If you have any trouble on that procedure, and need push the progress of your vaccines, please contact gerente@fechitri.cl

1. Travel

People who enter Chile must homologate the vaccines received in their countries.

All the foreign people, should submit their vaccines certificate by this link: <http://www.mevacuno.cl>

This link must be made with enough time in advance, **at least 20 days** before entering Chile, because it delays the homologation of the vaccines.

People must also perform a negative PCR test **at least 72** hours before travel.

After finish this process, please contact Gustavo Svane gerente@fechitri.cl to speed up the validation.

For arrival into Chile please check the most up to date information here: <http://www.c19.cl>. There, people must complete the required information to enter Chile, enter the negative result of the PCR test, inform the place where the quarantine will be carried out (apply host hotel) and include a travel insurance.

Laboratory enabled for PCR in Merino Airport.

Note: Quarantine is required until the PCR test taken at the Merino Airport returns a negative result. After this procedure, you can circulate without problem in Chile.

The result is delivered between 6 and 12 hours after completion.

In any case, please check the information permanently on the website <https://www.minsal.cl/> and <https://www.c19.cl/llegada-internacional.html>

2. Airport Transfer

Anyone using the shuttles provided by the LOC must be informed that the use of a mask and/or face covering is mandatory. Everyone needs to disinfect their hands before entering the bus.

3. Accommodation

Use of mask and face coverings is mandatory in the hotels, keep social distancing and disinfect hands in hotel's public places.

4. Training sites

Athletes are recommended to keep distance during running sessions and during their session in the swimming pool.

5. Testing protocol and health screening

All individuals (except for the LOC, its volunteers and contractors) applying for an accreditation to World Triathlon and Continental Triathlon events must respect the following conditions:

- Fill in the online pre-event questionnaire through the World Triathlon website.

- Perform the negative PCR test carried out upon entering the country and the vaccine validation certificate.
- Additionally, to this, all triathletes must submit the pre-travel medical certificate according to the requirements above.
