General Info

Schedule of Events

The Organizer of the **2023 Valencia World Triathlon Cup** is pleased to introduce the event schedule: 3 days in the city of Valencia with a full program of sport and related activities.

There will be **ONE MAIN AREA - MARINA REAL DE VALENCIA**

- a) Main venue
- b) Registration
- c) Expo
- a) Transition Area
- b) Finish Area

Main Locations

The venue is located at the Marina de València.

Marina de València Street

<https://goo.gl/maps/zV1bGuTjqacQ6SZv8> <https://w3w.co/islotes.baúl.tinte>

Located between the commercial port of the city and its promenade is La Marina de Valencia, leading area of the city with big spaces to walk, ride a bike, enjoy local cuisine and practice nautical and sports activities.

As a result of the modernization of the Port to host the 32nd America's Cup, Valencia has this space where culture, training and entertainment are combined with sports, tourism and gastronomy.

The most emblematic building is the Veles e Vents, a symbol of contemporary architecture in Valencia and a cultural container, where there are exhibitions, live music, theatre, conferences and dance.

In the area there are many restaurants, first class hotels and the Marina Beach Club.

In addition, it has become a regular venue for sporting events such as Valencia Triathlon, which in 2023 hosts the World Triathlon Cup.

Volunteers/Technical Officials (TOs)

We all know that the success of any sporting event is largely due to the Volunteer Team. Their help in carrying out various essential organizational tasks is vital for the perfect execution/operation of the safest and most fantastic event possible for athletes and their supporters alike!

Volunteers will help with different aspects of the event's organization such as supporting administration tasks and TOs, helping with protocol issues, access control and management, athletes' and spectators' support etc. This is a unique opportunity to enjoy the sports event from within the organization, to meet athletes from all over the world and be involved in endless exciting aspects related to our World Cup!

We encourage you to say THANK YOU to them (Volunteers and Officials) whenever possible. Without them, this event would not be possible!

Parking

It is easy to park in Valencia next to the venue; there are free parking areas and there is parking under the venue.

Please, avoid parking in areas within the bike and run courses as the police will remove your car.

Information for Spectators

Race courses will be closed to traffic. However, there are many roads that will take you to junctions to cheer on your athlete. In general, spectators will be able to cheer on their athletes along the running course.

Anti-Doping Policy

Anti-Doping Rules, like Competition rules, are sport rules governing the conditions under which sport is played. Athletes and other persons involved in the event accept these rules as a precondition to compete. All athletes shall be subject to Competition Testing by the World Triathlon, the Athlete's National Federation, Anti-Doping Organizations or any other organization promoting Events in triathlon.

****All athletes must ensure they carry their official identification (Photo ID)****

Further info on Anti-Doping Rules can be found [HERE](#).

If you are selected for Doping Control, someone will approach you to notify you. You may be asked to go for Doping Control even before the race. The Doping Control Chaperone and/or Officer will explain the procedure to you, but you need to be aware that you have certain rights and responsibilities.

You must carry with you an ID/passport with photo when proceeding to the Doping Control Station. It is also a good idea to make sure that you have access to your National Federation manager's phone number so that you can let him/her know that you have been selected for Doping Control.

If you have any questions about Anti-Doping procedures, please visit the World Triathlon Anti- Doping Stand at the Expo where our volunteers will clarify your doubts and answer your questions. You can also check the Age Group Anti-Doping section on www.triathlon.org.

Race Rules & Penalties

- a) To check World Triathlon Rules, please click [**HERE**](#).
- b) To clarify any rules, please contact the Head Referees.

Weather Conditions

In September, average temperatures are between 27°C during the day and 19°C in the evening. Valencia is a perfect tourist destination to enjoy the beaches and visit the main tourist attractions of the province of Valencia. There are a few probabilities of rain and wind is not expected.

Bad Weather

The Race Organizers and the World Triathlon reserve the right to cancel or change the race profile for safety reasons. This could be any combination of events that we deem safe and fair. In the slim chance that the event must be cancelled or postponed due to bad weather, there will be no refunds or deferrals. A large amount of your race fee will already have been allocated to resources before the day of the race! Thanks for your understanding!
