It is with great pleasure that I welcome the Athletes and the NFs to Yenisehir.

The race was in the calendar at the beginning of the 2023 season but unfortunately the city has been hit, about 7 months ago, by a terrible earthquake that devastated the whole region.

We all still have in our mind the shocking images of that devastating event.

The race, at the time, had to be suspended but the City and the Turkish National Federation, since the right beginning wanted that the race was not suspended but only delayed in 2023.

I do want to express my sincere appreciation for the spirit and the commitment shown in these months..What seemed impossible, now is real.

The race is back in the calendar and the city is ready now to welcome you all.

I want to use this opportunity to send my condolences to all the families that suffer from the tragic event and to thank the Region and the City for the commitment to keep the race alive.

Enjoy the race and enjoy the hospitality of the Turkish people.

Renato Bertrandi Europe Triathlon President

Dear Sports fans,

We are in great excitement of being the host of the European Triathlon Cup and European Triathlon Youth Cup for the second time, in one of the most beautiful cities in the world, Mersin/Yenişehir.

The athletes coming from all over the world will swim in the mediterranean blue sea, will run on its spectacular beach and they will ride their bicycles under the kindly bending palm trees in company with nice weather in Mersin/Yenişehir.

This unique geography that we have, offers a great opportunity to experience the excitement of triathlon. With a perfect organisation, we will show our great hospitality to these great athletes in our city and we will witness all together with breathtaking performances of triathletes.

With our people's desire for sports and the belief in the binding power of sports, we will be having a colourful and full of contest for two days. A good weekend awaits us to make unforgettable memories. We are ready to meet in Mersin/Yenişehir at 21 and 22 October. Be healthy and sportive.

With Kind Regards

ABDULLAH ÖZYİĞİT

Mayor of Yenişehir Municipality, Mersin

Dear Triathlon Enthusiasts,

Warm greetings and a hearty welcome to Yenişehir, Türkiye! I am elated to be a part of the ever-expanding triathlon community, a family that continues to flourish day by day. Triathlon, you see, is more than just a sport; it embodies the spirit of determination and unwavering perseverance for individuals who take on its challenges.

Triathlon, as a discipline that harmoniously combines three distinct sports, stands out as a modern and innovative athletic pursuit, as it

always has been. The Yenişehir Triathlon, born from a unique locale and now sprinting ahead with purpose, symbolises a bright future. It's a pivotal step in Mersin's journey towards becoming one of the preeminent cities in the world of triathlon.

I extend my heartfelt gratitude to all the athletes, coaches, technical officials, parents, and everyone who dedicates their energy and effort to the growth of triathlon. As a federation, you serve as a constant source of inspiration for us all.

With warm regards, Bayram YALÇINKAYA President, Türkiye Triathlon Federation

9. COURSE MAPS

9.1. SWIM START

The start will be a Beach Start, featuring a blue start carpet marked with numbers and each numbered box measures 75 cm in width and 50 cm in length.

9.2 SWIM COURSE

Number of laps: 1 (one) Distance of the course: 750m

Distance from the start to the first buoy: 300 m

The swim course follows the right side of the buoys, so all of the buoys should stay at athletes' left while passing.

Average water temperature: 23-25°C

9.3. TRANSITION 1

A flow through transition has been developed to keep athletes moving forward. Athletes enter the transition and must deposit swim gear in a bin placed beside the bike racks. Athletes' names and/or numbers are displayed on the top of each bike rack. After the helmet is secured, athletes unrack the bike by moving forward into the centre lane and towards the mount line.

9.4. BIKE COURSE

Number of laps: 3 (three) Distance of the course: 20.3km

Description: The bike course is fully high-quality asphalt. Relatively flat.

Team Wheel station will be located near transition, in a place where athletes pass at the end of each lap. Natural wheel station will be located at far end turn point of bike course.

9.5. TRANSITION 2

After the last lap of the bike, athletes will turn left to reach the dismount line and transition area. They have to get off the bike before the dismount line. They run by holding the bike. Athletes enter the transition and must deposit the bike in their position and then take off their helmet. Running shoes may be placed beside the rack or in the box. After this, they should proceed to the run course.

9.6 RUN COURSE Number of laps: 2 Distance of the course: 5 km

Description: Flat course

Aid Station and Penalty Box locations: There are 2 (two) aid stations; one of them is at 140m just after exit of T2and the other one is 800m of the course. The penalty box is at 1550m of the course just before the lap / finish turn

Good luck!
