## 5. WORLD TRIATHLON WINTER CUP

### 5.1 Travel & participation - Covid-19 restrictions

COVID-19 continues to cause significant challenges which affect the travelling rules, depending on the country of origin or destination and the reasons for travelling. The Decree of the Prime Minister (DPCM) approved on January 14th, 2021 regulates travels to/from Italy from January 15th, 2021 to February 15th, 2021:

[www.esteri.it](http://www.esteri.it).

An useful Survey URL ([link](#)) will support you for your travel requirements.

#### 5.1.1 Travelling to and from Italy

The DPCM January 14th, 2021, Attachment 20, lists those countries for which different travelling restrictions apply. For detailed information click [here](#).

#### 5.1.2 Exceptions

As an exception to the DPCM of January 14th, 2021, Attachment 20, athletes, coaches, sport delegations, technical officials, media, technical staff, court personnel, volunteers and all those involved in the organizing committee, are authorized to participate in the Sport Event when coming from countries listed in the above document. The World Triathlon Winter Cup, recognized by the National Authorities as an International Sport Event, enables participants to enter the country and/or the region without quarantine obligations, provided that:

- there are no symptoms of COVID-19;
- there is no prejudice to the obligations of self-declaration ([link](#)) to be presented at the security check;
- all travellers, entering Italy must have tested negative to the Nasopharyngeal Swab for COVID-19. The result must be declared on the self-certification to be presented prior to boarding;
- the Nasopharyngeal Swab must be carried out not later than 48 hours prior to the arrival in Italy;
- The self-declaration with the attached result of the Nasopharyngeal Swab must be presented at the security check

#### 5.1.3 Mandatory travel letter of invitation

Prior to the arrival to Italy foreign travellers participating in World Triathlon Winter Cup Asiago need to obtain a letter of invitation to enter Italy in compliance with the DPCM of January 14th, 2021. The document will be issued only to athletes, coaches, sport delegations, technical officials, media, technical staff accredited for the World Triathlon event.

To obtain the letter of invitation, please contact [gabriellalorenzi@fitri.it](mailto:gabriellalorenzi@fitri.it) and communicate:

1. Name and Surname as on your passport
2. Date of birth
3. Age
4. Sex
5. Passport number
6. Passport expiration date
7. Qualification (coach, athlete, etc.): as accredited on the World Triathlon online system
8. Name and address of your hotel while in Asiago
9. Date of arrival to Asiago
10. Date of departure from Asiago
11. Email address to receive the invitation letter

If you need direct support with the Consular Authorities please send the above information to [gabriellalorenzi@fitri.it](mailto:gabriellalorenzi@fitri.it) specifying the references of the Embassy in order to process the consular protocol through the Italian National Olympic Committee.

#### 5.1.4 Swab test: travel requirements

Travellers who need to undergo a Nasopharyngeal Swab test for their return journey from Asiago can reserve the service through the Local Organizing Committee.

The service will be available on the race venue on Thursday 18th February from 8:30 to 11:30 am.

The reservation is mandatory and must be sent to the email [gabriellalorenzi@fitri.it](mailto:gabriellalorenzi@fitri.it) before Friday 12th February, complete with:

- Email address to receive the swab test result
- Scan of the traveller's passport
- Service required:

SARS-CoV-2 PCR Test	€ 110,00	result guaranteed on Saturday 20th February 12:00
Antigen Rapid Test	€ 50,00	result guaranteed on Thursday 18th February

Reservations after Friday 12th February will not be accepted.

#### 5.1.5 Pre-event medical certificate for participants

Due to the current COVID-19 pandemic and according to the World Triathlon Medical Committee it is mandatory for all athletes to submit a pre-event medical certificate to participate in the event:

- The medical certificate must be issued in English by the National Federations' medical staff or a personal doctor and submitted to the responsible appointed by World Triathlon before the race package pick-up distribution. Alternatively, the medical certificate can be submitted electronically to World Triathlon at [sport@triathlon.org](mailto:sport@triathlon.org);
- The certificate must declare that the athlete has been examined and he/she has not tested positive to the PCR nasopharyngeal test and/or is not in quarantine and has been without any COVID-19 symptoms for the previous 14 days;
- The certificate must be signed by a doctor and the athlete and should be produced no later than 72hrs before the person's travel day to the event;
- In case of a previous positive PCR nasopharyngeal test, the athlete must provide two negative PCR tests:
  - One must take place prior to the medical examination;
  - The second, as close as possible to the event's day;
  - Please note that we require the athletes to submit PCR test results, ONLY in the case of a previous positive PCR test. In all the other cases, the athlete must submit only the medical certificate;
- A sample of the Pre-Travel Medical Certificate can be found in Appendix 1 of the World Triathlon COVID-19 guidelines. To download the certificate click [here](#).
- If the certificate is not provided, the athlete will not be allowed to compete.

#### 5.1.6 Pre-event questionnaire

On the race week all athletes, coaches and team medical personnel should fill in the pre-event questionnaire on this [link](#).

The link will be sent by the World Triathlon Sport Dept. one week prior to the event.

The pre-event questionnaire must be filled in in order for the athletes to receive their race packages and the coaches to receive their accreditations. Accredited athletes, coaches and technical officials will have their body temperature and oxygen saturation checked any time entering the venue.

#### 5.1.7 Airport transfers

Anyone using the shuttles provided by the LOC must be informed that the use of mask and face covering is mandatory. Everyone needs to disinfect their hands before entering the bus.

#### 5.1.8 Hotel & accommodation

In the common areas keep the distance of one meter from other people, it is always mandatory to wear face masks and sanitize your hands.

#### 5.1.9 Training sites

Athletes are recommended to keep a distance during run and bike sessions. There are no swimming pool and gym facilities in the area.

#### 5.1.10 Race briefing

Athletes briefing will be virtual and online and will take place on Thursday 18 February at 09:00 CET. Please register for the athletes' briefing [here](#) (exact time to be communicated in race week. Please follow the [www.triathlon.org](http://www.triathlon.org) website for updates).

The recording of the briefing and the presentation will be available after the session [here](#).

#### 5.1.11 Race package distribution

Race package to be collected after the briefing not later than 15:30 local time on Thursday 18 February on the Venue by the athlete. The use of mask and social distancing is mandatory.

Athletes and coaches should arrive at the registration office according to the schedule which will be communicated three days prior to Thursday.

All athletes and coaches must fill in the pre-event questionnaire prior to the race package distribution.

#### 5.1.12 Health screening

Temperature and Oxygen saturation level will be checked every time the athletes and coaches arrive on the venue (package distribution and familiarization times included).

Saturation levels lower than 95% and a temperature above 37,5°C (Italian rules) will be reported to the Race Medical Doctor.

#### 5.1.13 Competition activities

It is mandatory to wear face masks and to keep a 1 m distance on the competition days on the venue. Athletes can remove their masks immediately before the start line. They will receive and wear a new mask after the finish line. Athletes must wear the masks after warm-up.

### 5.1.14 Wheel stations

- All wheels will be disinfected before delivery to their specific locations in the Wheel Station. The athlete in need of a spare wheel will be directed by the TO to the proper wheel and will pick it up autonomously.
- The spare wheel will be disinfected by the TO before being dropped at the station.
- Technical officials will wear face masks.

### 5.1.15 Accreditations

- The LOC will provide all the organizing committee members, World Triathlon technical officials, athletes, coaches, VIPs, media, technical staff, volunteers, etc., with the official accreditation cards according to the World Triathlon Event Organiser's Manual (EOM) and technical requirements.
- The LOC will provide all the organizing committee members, World Triathlon technical officials, athletes, coaches, VIPs, media, technical staff, volunteers, etc., with the official accreditation cards according to the World Triathlon Event Organiser's Manual (EOM) and technical requirements.
- Accreditation cards for athletes and coaches will be handed out during the official registration after the race online briefing.
- Only one coach and team medical accreditation per Nation is allowed.
- All other accreditation cards will be distributed at the race office on the venue.
- Only accredited people will be allowed to access certain venue areas.
- Accreditation cards are colour-coded and provide access to specific areas of the venue.
- Accredited people are requested to wear their accreditation cards at all times and to show them upon request.
- Coaches and doctors will have to be registered through their National Federation via World Triathlon online registration system. Accreditations will not be handed out to anyone who has not been previously registered.
- Accredited athletes, coaches and technical officials will have their body temperature checked when entering the venue on a daily basis.

### 5.1.16 Sanification

All facilities used by the athletes will be cleaned and disinfected by the LOC throughout the day.

### 5.1.17 Covid-19 medical protocols

COVID-19 emergency contact details:

Please contact **Mario Palano +39 3457006380** in case of COVID-19 symptoms.

In case of a positive case, the standard procedure will follow the dispositions of the Local Health Authority.

### 5.1.18 Access to the race area - Covid-19

Athletes will be checked for temperature and oxygen levels upon their arrival on the FOP. If cleared, a sticker will be placed on their accreditation which will validate their presence.

### 5.1.19 Finish area

- The timing chip must be removed by the athlete, and dropped in the special bin after the finish line.
- Massage facilities will not be provided.
- Athletes must avoid lying or sitting in the finish area (except athletes with health problems).
- A minimum number of volunteers will support the athletes and prevent crowding in the post finish area.
- All people working in the finish area (volunteers, TOs, etc) will wear face masks and face shields on top.
- Masks will be distributed to athletes immediately after arrival.

### 5.1.20 Medal ceremonies

Medal ceremonies will be performed according to the COVID-19 guidelines for medal ceremonies that can be found on the World Triathlon COVID-19 Guidelines for Event Organizers.

## 5.2 Competition information

### 5.2.1 Competition Rules

The competition rules for the 2021 World Triathlon Winter Cup will follow the latest published [\(link\)](#) by World Triathlon.

### 5.2.2 Uniform Rules

To compete in World Triathlon Events, athletes must follow the World Triathlon Guidelines [\(link\)](#) on Authorised Identification and Uniform at 2.8 of the Competition Rules.
