Greetings and a very warm welcome to the 2021 World Triathlon Cup Arzachena. We are delighted to be returning to beautiful Sardinia for the sixth year in a row and to the stunning Cannigione, in the Arzachena municipality, where this impressive course made its debut last year.

As ever, the health and safety of all those involved in the race is our top priority. It is only thanks to the tireless efforts of the Local Organising Committee and Italian Triathlon Federation alongside World Triathlon that this major event and Olympic qualifier is able to take place, and I urge everyone to follow the protocols and guidelines as we return to racing.

Once again, the stunning coastal sprint-distance course will begin with a 750m swim off the idyllic beaches of the main town before the bike course heads north on a long and demanding climb out into the surrounding hills and back down into the town streets and the race concludes with two laps of a 2.5km section of roads and coastal pathways.

This is set to be another hotly contested battle in the early summer sunshine as the world's best triathletes compete for podium places and Olympic qualification points.

The World Triathlon Cups continue to be the key development platform for our Elite athletes, hosting some of the biggest names and emerging talents in the sport. It is thanks to the support of our host cities that we are able to continue providing such great stages for them to perform on at the very highest level.

As such, I would like to once again extend my gratitude to the Local Organising Committee, the Italian Triathlon Federation, the volunteers and the people of Arzachena for helping to stage what I'm sure will be another fantastic World Triathlon Cup.

Best of luck to the athletes and teams in achieving their goals, and I encourage you all to enjoy this beautiful setting as it welcomes the spectacle of World Triathlon racing. Have a wonderful weekend and enjoy the rest of the season.

Sincerely,

Marisol Casado

President, World Triathlon

IOC Member

As President of the Italian Triathlon Federation, it is a real pleasure to welcome you all to the World Cup in Arzachena and to host you again in Italy for such a prestigious event.

As well as being a feather in the cap of the Italian calendar, over the years the event scheduled for the 29th of May has been able to gain a prominent place on the international scene: it will be exciting to see the world's best athletes in Arzachena chasing precious points for the Olympic qualification, and to see them compete on a technical and challenging course that will enhance their values. The breathtaking views, the scenery of the Costa Smeralda and the beautiful village of Cannigione will once again make this intense day of great sport unique projecting us towards the most important event of the season, the Olympic Games in Tokyo.

The day after the World Cup, on the 30th of May, the engine of our movement, the Age Group, will take the stage: the second day is dedicated to them, a stimulating competitive event that fits perfectly the context of this magnificent region.

I would like to take this opportunity to thank the Region of Sardinia, the Municipality of Arzachena, the Organising Committee, the Armed Forces, the Police Forces and the medical staff who will be involved in the event during this particular time, as well as the many volunteers who will be committed to ensure the perfect outcome of the event.

We are looking forward to experience this event with all of you, following the rules of teamwork. See you at the changeover area!

Riccardo Giubilei

Presidente, Federazione Italiana Triathlon

COMUNE DI ARZACHENA

After the success of last year's event, we are very happy to welcome, for the second time, the elite athletes of the Triathlon World Cup to Arzachena, and for the first time, the enthusiasts who will compete in the amateur race Triathlon Costa Smeralda. They will come with organisers, coaches and support staff with whom we hope to celebrate this great event open-doors, Covid-19 pandemic situation permitting. In the meantime, the village of Cannigione is ready to act as a stage perfect with its various landscapes to set up a stimulating route that will challenge more than 440 participants from 40 countries all over the world.

A further reason for pride comes from the confirmation of the validity of this stage as a qualification for the next Olympics in Tokyo 2022.

The Municipality of Arzachena therefore confirms its desire to invest in prestigious events in which the Triathlon and other sports in touch with nature are the key players. The collaboration until 2022 with the National Federation, the International Federation and the Region of Sardinia is the added value that reinforces the role of our destination as privileged in the active and sustainable tourism market.

To all those who take part in this project in any way, I renew my gratitude and my wish for an extraordinary experience in our territory.

Roberto Ragnedda

Sindaco del Comune di Arzachena

Welcome to the WORLD TRIATHLON CUP ARZACHENA 2021

For the sixth consecutive year Sardinia will host a stage of the prestigious World Cup circuit of the international federation WORLD TRIATHLON. The World Triathlon Cup Arzachena will be held over a sprint distance with a challenging cycling section, both in terms of technical and altimetric profile, while the running route will take place in the town centre and on the seafront of Cannigione, always facing the crystal clear waters of the Costa Smeralda. Another special feature of this race will be the transition zone, located between the beach and the Riva Azzurra Park, a natural stage that will allow the public to follow the athletes throughout the race.

The purpose of this guide is to ensure that all athletes, officials and stakeholders are well informed about all procedures regarding the Arzachena Triathlon World Cup 2021.

Please note that this information may change and final race information will be provided to athletes and team managers at the athletes' briefing.

LOCATION

CANNIGIONE

One of the most highly-frequented beaches on the Costa Smeralda, this is a wide expanse of golden sand with transparent waters and, behind it, one of the best-equipped tourist centres in the northeastern part of Sardinia

CLIMATE	MAY
Lowest temperature	14,4 °C
Average temperature	17,7 °C
Highest temperature	21,2 °C
Precipitation	40 mm
Lowest sea temperature	15.2 °C
Average sea temperature	17,6 °C
Highest sea temperature	21,2 °C

CANNIGIONE and ARZACHENA

It is located on the western side of the largest and deepest ria, that is an inlet created by a river mouth, in the northeastern part of Sardinia. Cannigione, a district of Arzachena, originally a fishing village, is a renowned tourist village. Its promenade is made up of the docks of a large, modern port. Next to it, is the 'city' beach: light, large grained sand leading into the sea with its infinite shades of blue. The seabed slopes gently and is very popular with those who like scuba diving and snorkelling. In fact, it has become one of Sardinia's diving centres par excellence: the banks of seagrass in various diving areas should not be missed, particularly at the Scoglio di Mortoriotto. Near the sandy shore there is also a car park, equipment and boat rentals, bar, restaurant and accommodation facilities.

Near the village, there are many other beaches, from the Gulf of Arzachena to the Salt Pans of Palau: La Conca, Tanca Manna, Mannena, Barca Bruciata and Isuledda. The shoreline is ideal for young families and provides you the possibility to choose nearby, exclusive locations every day: Porto Cervo, Baia Sardinia, Poltu Quatu. Along the 55 kilometres of Arzachena coastline, don't miss out on a visit to the little coves of Lu Multiccioni and Li Capanni, the long beach of Tanca Manna and the Caribbean feel of Cala Capriccioli.

Arzachena, less than ten kilometres from the village, embodies the style of the Costa Smeralda: pink granite and white stones characterize the architecture of the houses. There are green spaces, establishments, clubs and boutiques everywhere. The typical artisan products and Sardinian delicacies combine with luxury shopping. Boat trips depart from Cannigione and head to the Maddalena Archipelago National Park. To the south, there is the Stagno di Padula Saloni, a pond area in which, between the reeds, rushes and tamarisks, bird species nest, including the purple heron, the black stork, the osprey and the western swamphen, a species that lives exclusively in the island's lagoons. Also populating the brackish waters are coots, moorhens, egrets, mallards and sometimes the greater flamingo. The bushes in the pond area have a reddish colour in the summer, creating extraordinary scenic effects at sunrise and sunset. To the north of the village stands Punta Occhione, covered by a carpet of Mediterranean scrub: from the top you will enjoy the view over the entire gulf, as far as the Roccia dell'Orso (Bear Rock).

THE COSTA SMERALDA

Luxury hotels and villas, sparkling nightlife, exclusive boutiques, elegant aperitifs and fine dining. The Costa Smeralda is Sardinia's most glamorous vacation resort. Two boulders bearing its name welcome you on arrival, one at the southern end on the road that goes from Olbia to the most famous places, and one at the north, on the road leading to the brilliant blue of Baja Sardinia. The Costa Smeralda was born from the consortium founded by the Ishmaelite prince Karim Aga Khan in 1962, and it invites you to enjoy the fine cuisine, great shopping and the suave and luxurious lifestyle that distinguishes the heart of Porto Cervo, between Golfo Pevero, Pantogia and Capriccioli.

Its gracious architecture is characteristic: small, low, white buildings with soft lines that blend in beautifully with the surrounding Mediterranean vegetation, like the church of Stella Maris, designed by Michele Busiri Vici.

The Costa Smeralda's fame is due in large part also to some of its invaluable nearby natural attractions, like Cala di Volpe, an exclusive natural port where some scenes for the James Bond film *The Spy Who Loved Me* were filmed.

Other celebrated places include Grande Pevero, Liscia di Vacca, surrounded by Mediterranean brush and blessed with turquoise waters, Liscia Ruja, with its inlets framed by fragrant juniper bushes, Romazzino, with its transparent sea and white beaches, and Pitrizza.

The lovely bays with white sails draw your eyes to beaches and small islands, like the isola dei Cappuccini, Bisce island, south of Caprera, Li Nibani, Mortorio island, the little delle Camere islands and isola di Soffi. Along the coast is the Bottlenose Dolphin Research Institute, an international institute set up to study and safeguard these special dolphins.

AIRPORT TRANSFER

The LOC will provide transfers for Elite Athletes, Coaches, World Triathlon Staff and Technical Officials from the Olbia-Costa Smeralda airport to their hotel, and from their hotel to the Olbia-Costa Smeralda airport, with provision for bike transportation.

All transfers must be registered by Saturday 22th May 2021. Unfortunately, bookings cannot be accepted after this date.

World Triathlon Accredited Elite Athletes and their Coaches can book their airport transfers [here](#).

World Triathlon Staff and Technical Officials can book their airport transfers [here](#).

This LOC is only offering a free transfer service from Olbia-Costa Smeralda Airport. The LOC will not cover the costs of transfer from other airports. Please do not hesitate to contact us if you require a quote for a transfer from another airport.

ACCREDITATION

LOC will provide all athletes, coaches, technical officials, journalists, etc. with an official accreditation card according to the World Triathlon Event Operational and Technical Requirements.

Accreditation cards for athletes and coaches will be handed out during the official registration on Thursday 27th May after the Race Online Briefing.

Only accredited persons will be allowed to access certain venue areas. Accreditation cards are number-coded and provide access to specific areas of the competition areas.

All accredited persons are requested to carry their accreditation cards with them at all times and to show them upon request.

A sticker will be added on the accreditation of each person following the daily health check. The sticker will be different coloraturas for each day.

NB: Coaches and doctors will have to register through their national federation using the World Triathlon online registration system. Accreditations will not be handed out to anyone who is not registered in the World Triathlon registration system.

TRAVEL & PARTICIPATION COVID-19

WORLD TRIATHLON PRE-EVENT COVID-19 SCREENING PROCESS

All athletes along with the support staff (coaches, team medical etc.) must respect the following pre-event Covid-19 screening conditions:

- ✓ Fill in the online pre-event questionnaire;
- ✓ Perform a pre-travel antigen test or PCR swap within 48 hours before the athletes travel to the event. Tests that currently have to be done to enter a country are valid as pre-travel tests;
- ✓ All athletes must submit a pre-travel medical certificate through the World Triathlon registration system according to the specifications listed in the World Triathlon COVID-19 guidelines. The medical certificate can only be issued after medical examination. There is a provision in place for athletes that need to issue a medical certificate on site, to do so with the local Medical Delegate or World Triathlon Medical Delegate. In order for that to be arranged the team has to get in contact with World Triathlon Medical Delegate, Sergio Migliorini at sermigliorini@alice.it in advance.

World Triathlon has developed an online tool for the World Triathlon pre-event Covid-19 screening process. Please follow the instructions below based on your role at the event to learn how to submit the questionnaire and upload the necessary documents
https://triathlon.org/pre_event_covid_19_screening_guide

The above process is standard at all events this season.

COVID-19 Test at the Event

- ✓ An antigenic COVID-19 test for all athletes, and support NF personnel will take place at the event location. In case of a positive result, a PCR swab test must follow. The antigenic test will take place on Thursday 27th of May between 9:00 and 14:00 at the venue.
- ✓ Daily health screening will be in place for all accredited people

The athletes and support NF personnel must ARRIVE according to the time slot below:

09:00: ARG, AUS, AUT, BEL, BER, BRA
09:30: CAN, CHI, CHN, COL, CZE, DEN, ECU
10:00: ESP, EST, FRA
10:30: GBR, GER, HUN
11:00: IRL, ISL, ISR, ITA, JPN
11:30: KAZ, LUX, MEX, NED, NOR, PHI, POL
12:00: POR, ROU, RSA, RUS, SUI
12:30: SVK, SWE, UKR, USA, Other

Mandatory registration through the on line form within Monday 24 May.

BOOKING COVID TEST TO RETURN TO YOUR COUNTRY - ARZACHENA

Athletes, coaches, sports delegations, managers, technical officials, media, technical staff accredited for the World Triathlon event who have to return to their country and need to perform a pre-travel antigen test or PCR swap within 72 or 48 hours before, can book their own test through our platform.

The Test Certificate will be sent by email to everyone within the next 4 hours.

The tests will be performed in Porto Cervo at the Costa Smeralda Medical Center from Friday 28 May until Monday 31 May.

We have provided a transfer service from Cannigione to Porto Cervo.

The cost of the test including the transfer is € 70, 00 per person. Payment must be made (cash only) on Thursday 27 May at the pre-race rehearsal.

Book your test now, we will inform you later about the transfer times and departure location.

[LINK BOOKING COVID TEST](#)

For any information please contact the Covid Manager of the World Cup Arzachena:

Grazia Pirisino

Mail: grazia.pirisino@gmail.com

Tel: +39 3333590654

A triathlete in a blue triathlon suit and helmet is running with a bicycle. The suit has "TRIMTEX", "IDEN", "NOB", and "RAGDE HIENDOM" printed on it. The athlete is wearing sunglasses and has a white bandage on their nose. The background is a blurred crowd of spectators. The image is overlaid with a blue tint and white decorative lines.

COMPETITION ACTIVITIES

TRAINING SITES

Athletes are recommended to keep distance during running sessions and during their session at the beach.

- **SWIM**

Cannigione is located by the sea, therefore there are many beaches to choose from where you can swim in "Costa Smeralda" crystal clear sea.

Training sessions in 25 meter outdoor swimming pool are possible at "Villaggio Golfo Arzachena - ASD Gio.Ca.Sport Sardegna" in Cannigione, 1 km far on the road to Arzachena (SP13), starting on May 21st.

Two lanes available from 9:00 to 19:00

- € 7 person/hour

- € 10 lane/hour for 2 persons

Contact for reservation: Fabrizio +39 333 0000714 asd.giocasport@virgilio.it

- **BIKE**

Several bike routes are usable, especially those that follow the coast.

We remind you to comply with the rules of the highway code and that you are cycling at your own risk.

- **RUN**

Several running routes are present along the coast and close to the field race point.

RACE BRIEFING

Athletes briefing will be virtual and it will take place on Thursday 27th May at 17:00 local time. Please register for the athletes' briefing in the link:

https://us02web.zoom.us/webinar/register/WN_J4hruJnqQQy9jN_L-EIPCQ

The recording of the briefing and the presentation will be available after the session [here](#) .

RACE PACKAGE DISTRIBUTION

Race package to be collected between 18:00 – 20:00 local time on Thursday 27th May at **Blu Hotel Laconia Village** by the athlete. The use of mask and social distancing is mandatory.

The athletes/ coaches must ARRIVE according to the time slot below:

18:00: ARG, AUS, AUT, BEL, BER, BRA

18:15: CAN, CHI, CHN, COL, CZE, DEN, ECU

18:30: ESP, EST, FRA

18:45: GBR, GER, HUN

19:00: IRL, ISL, ISR, ITA, JPN

19:15: KAZ, LUX, MEX, NED, NOR, PHI, POL

19:30: POR, ROU, RSA, RUS, SUI

19:45: SVK, SWE, UKR, USA, Other

All athletes and coaches must fill in the pre-event questionnaire prior to the race package distribution.

HEALTH SCREENING

Temperature and Oxygen saturation level checks will be performed every time the athletes and coaches/team medical are on site including at the times of the athletes' package distribution and familiarizations.

Saturation levels lower than 95% and a temperature above 37,5°C (Italian rules) will be reported to the RMD/MD.

COURSE FAMILIARIZATIONS

Swim course familiarization will be performed on Friday 28th May at 11:30 - 12:30 local time.

Bike course familiarization is cancelled.

A video from the bike course will be provided on the [website](#).

COMPETITION ACTIVITIES

It is obligated to use face masks and keep distance at all time during competition days at the venue. The only exception for athletes is the immediate competition time starting with the access to the start carpet, ending with the access to Athletes Lounge after finish.

Please make sure that you will wear your mask after the warm-up.

Wheel stations:

- At the neutral wheel stations, all wheels will be disinfected before being delivered to the specific locations. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete.
- At the team wheel station, the volunteers and TOs present at that location must not have any contact with the team wheels. The team representatives are responsible for disinfecting the wheels prior to depositing them at the wheel station. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete.
- In both cases, the wheel that is left behind by the athlete will be disinfected by the TO before being deposited at the station.
- Technical officials will wear masks/mouth-nose face covering and rubber/disposable gloves.

Finish Area:

- Timing chip removal must be done by the athlete, who must deposit the timing chip to a specific bin close to the exit of the post-finish area.
- All recovery stations will be self-served.
- Massage facilities will not be provided.
- Athletes must avoid lying or sitting down on the blue carpet (without any medical need/problems). Any non-accredited persons can watch the event from the spectator's areas.
- A minimum number of volunteers will be available to support the athletes and make sure that the athletes are not congregating at the post finish area. These volunteers will wear rubber/disposable gloves and masks/mouth-nose face covering.
- Masks will be distributed to the athletes to wear at their earliest convenience.

Swim Warm-Up:

- Masks must be worn until accessing the water. After warming up, masks will be provided to wear until the start of competition.

Medal Ceremonies:

- Medal ceremonies will be performed according to the COVID-19 guidelines for medal ceremonies that can be found on the World Triathlon COVID-19 Guidelines for Event Organizers.

SPECTATORS' ACCESS

No spectators are expected to the event.

CLEANING ON SITE

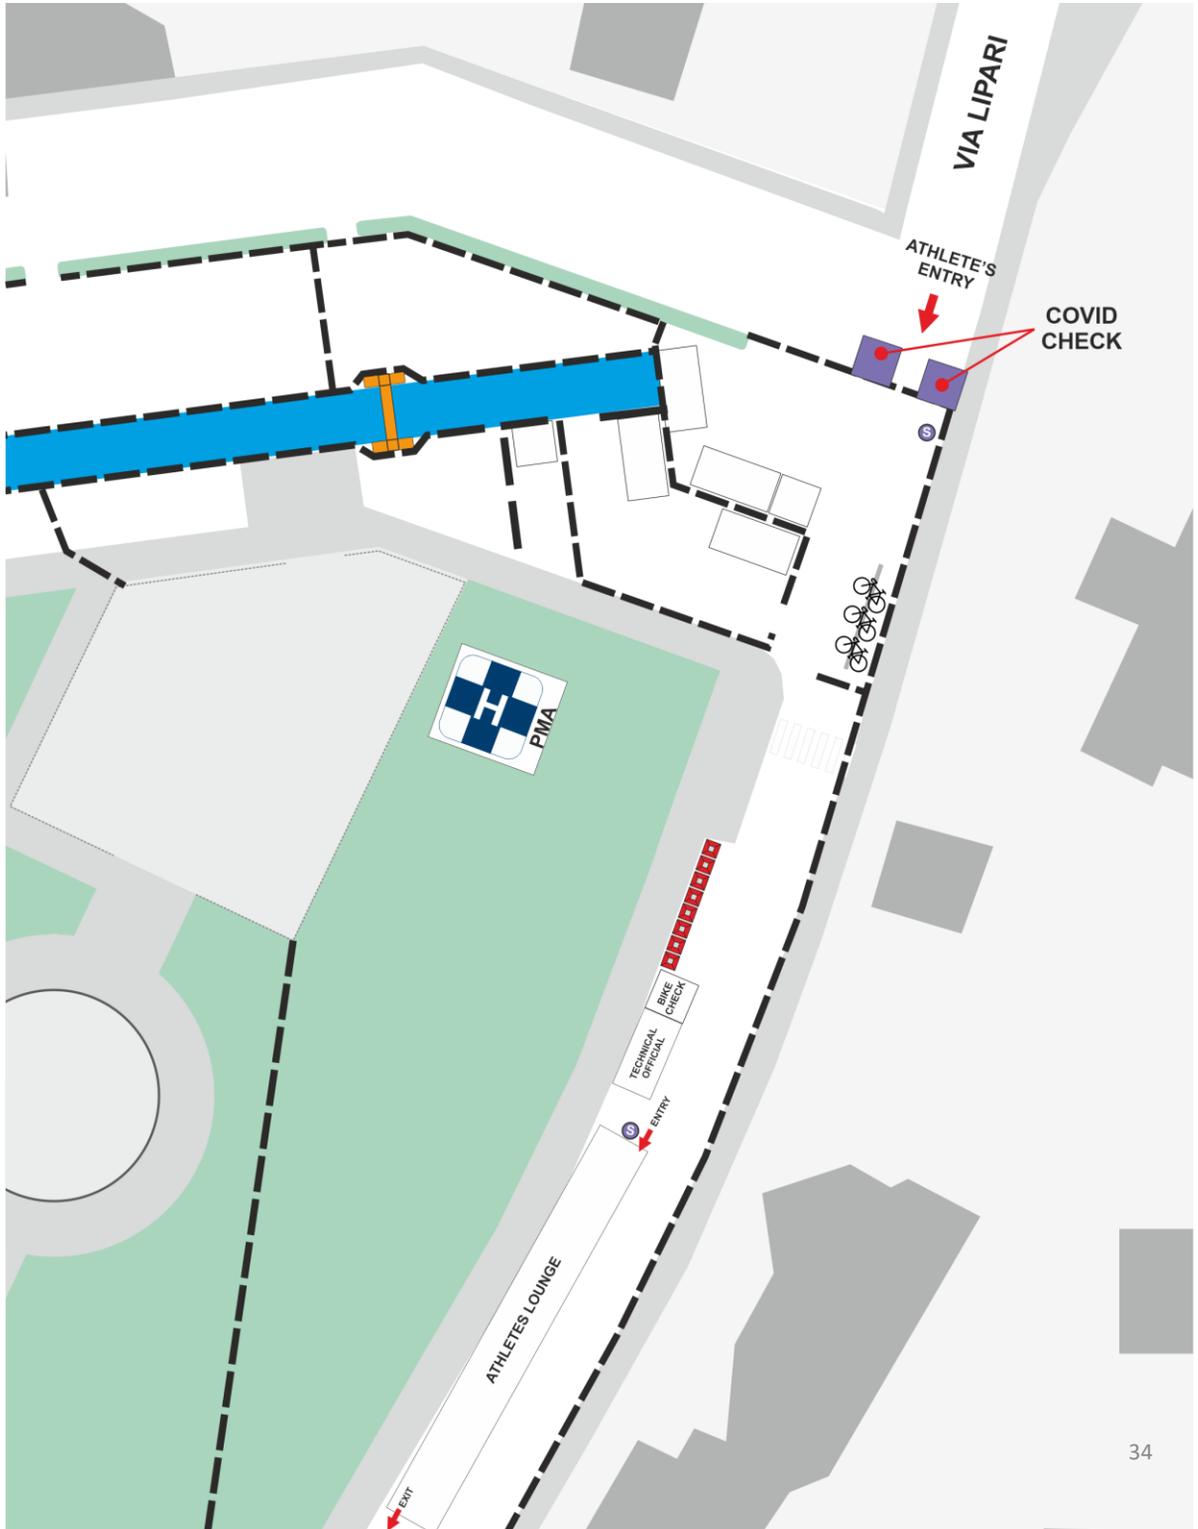

All facilities used by the athletes will be cleaned and disinfected by the LOC through the day.

COVID-19 MEDICAL PROTOCOLS

- a. COVID-19 emergency contact details:
Please contact +39 342 598 9030 in case of COVID-19 symptoms
- b. In case of positive case the procedure will be implemented in agreement with the Local Health Authority

ACCESS IN THE RACE AREA

All athletes will be checked for temperature and oxygen levels upon arrivals to the FOP. If cleared, a sticker will be placed on their accreditation to validate their presence.

RULES

RACE PROGRAMME

THURSDAY 27th MAY

- 09:00- 14:00 Antigenic COVID-19 test
- 17:00 Race online briefing
- 18:00- 20:00 Collect race packs

FRIDAY 28th MAY

- 11:30 - 12:30 Swim familiarisation
- 12.45 – 13:15 World Triathlon Coaches' committee rep meeting with TD

SATURDAY 29th MAY

Women's Race

- 09:00 - 10:00 Athlete's Lounge check-in
- 09:30 - 10:15 Transition check-in
- 09:30 - 10:15 Swim warm up
- 10:20 Athlete line up
- 10:30 Women's start**
- 11:45 Women's award ceremony

- 11:45 Run course measurement for Coaches

Men's Race

- 14:00 - 15:00 Athlete's Lounge check-in
- 14:30 - 15:15 Transition check-in
- 14:30 - 15:15 Swim warm up
- 15:20 Athlete line up
- 15:30 Men's start**
- 16:45 Men's award ceremony

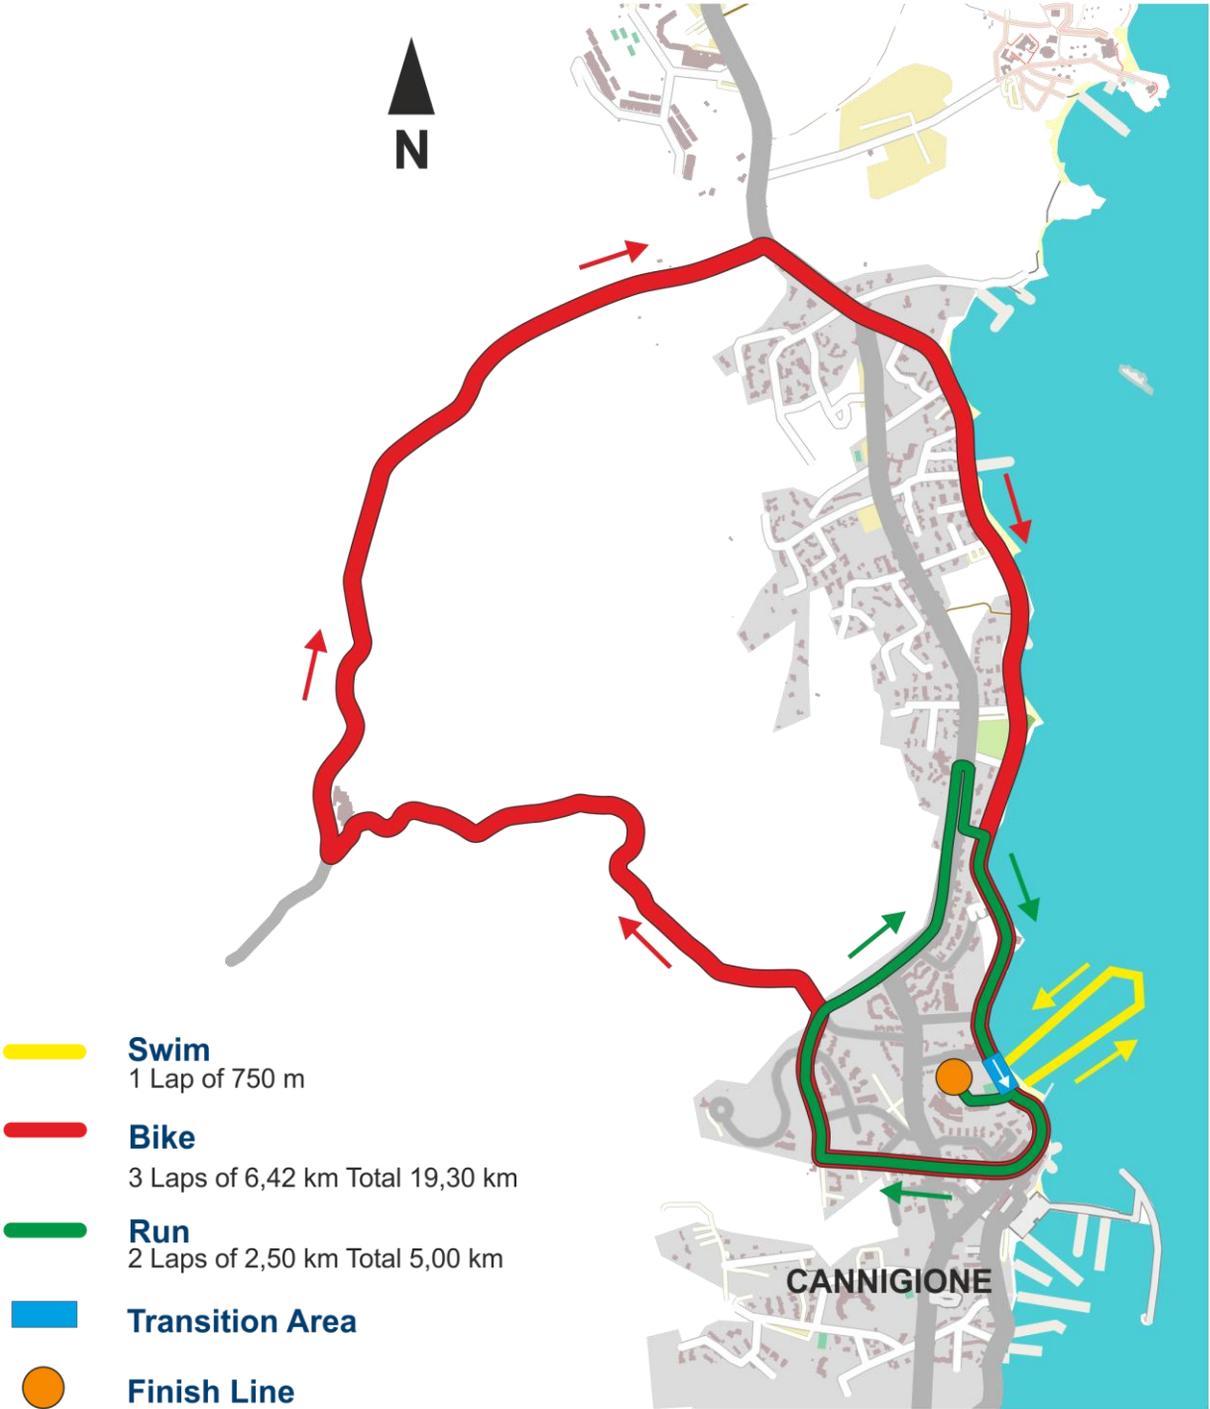

COMPETITION RULES

The competition rules for World Triathlon Cup Arzachena are those published by the World Triathlon Official Web Site . They can be found at the following webpage:

https://www.triathlon.org/uploads/docs/World_Triathlon_Sport_Competition_Rules_2020_201811253.pdf

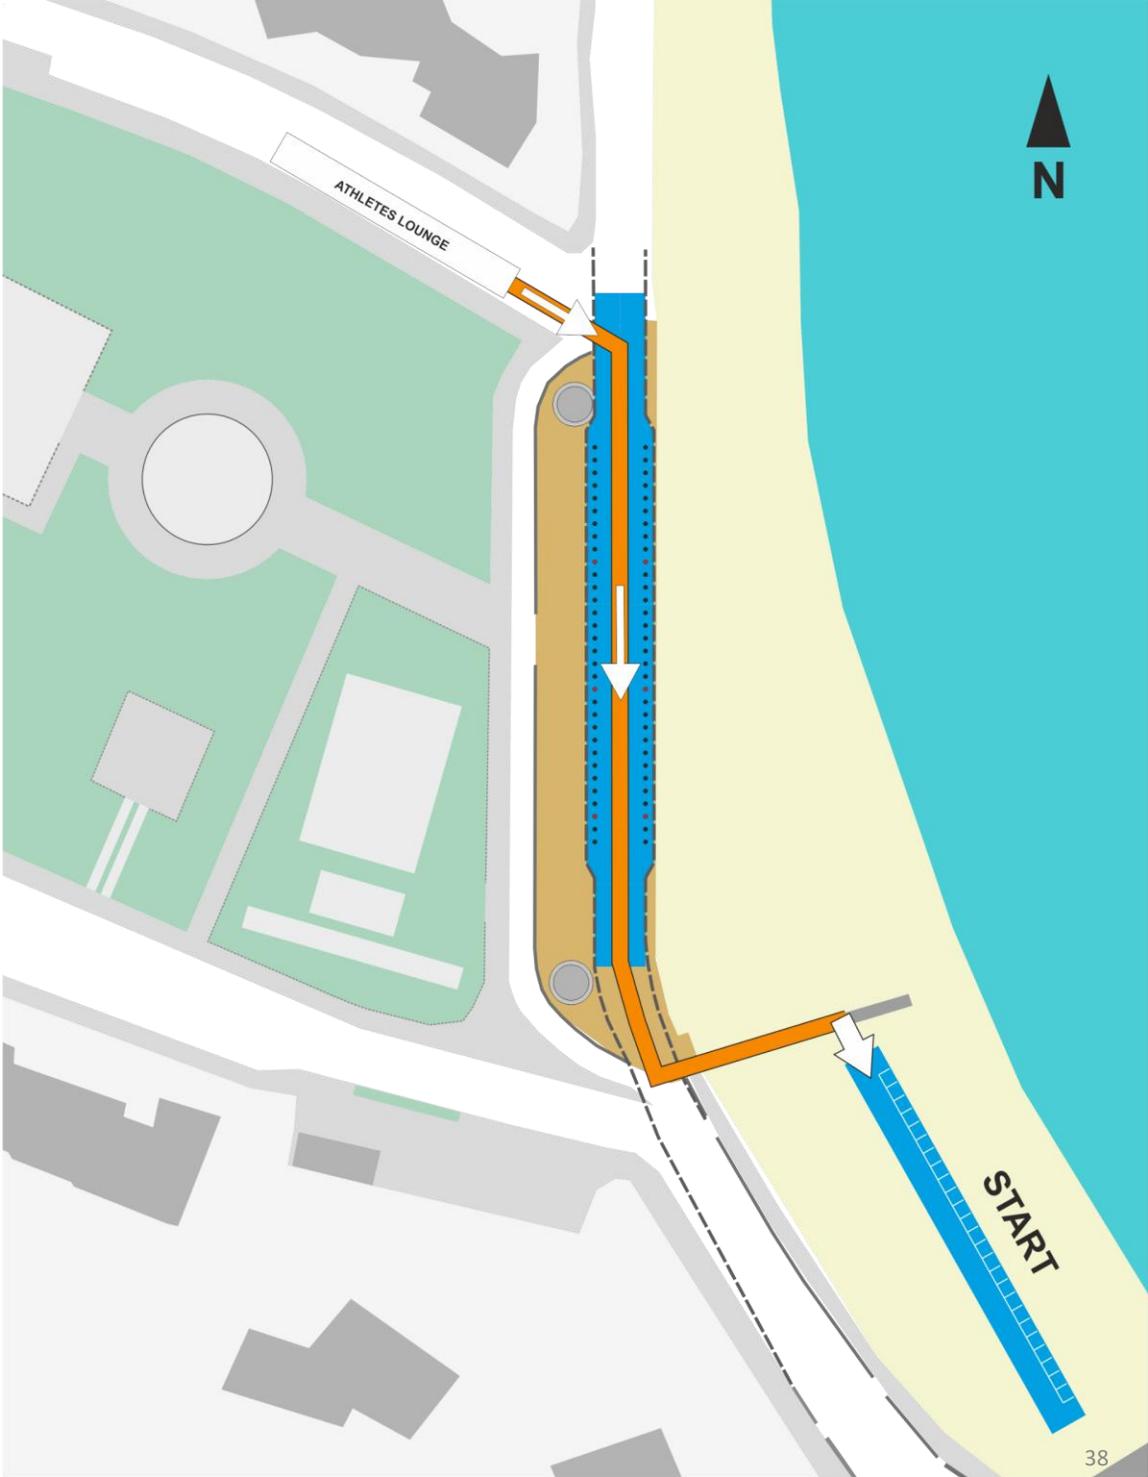

GENERAL MAP

ATHLETES CALL

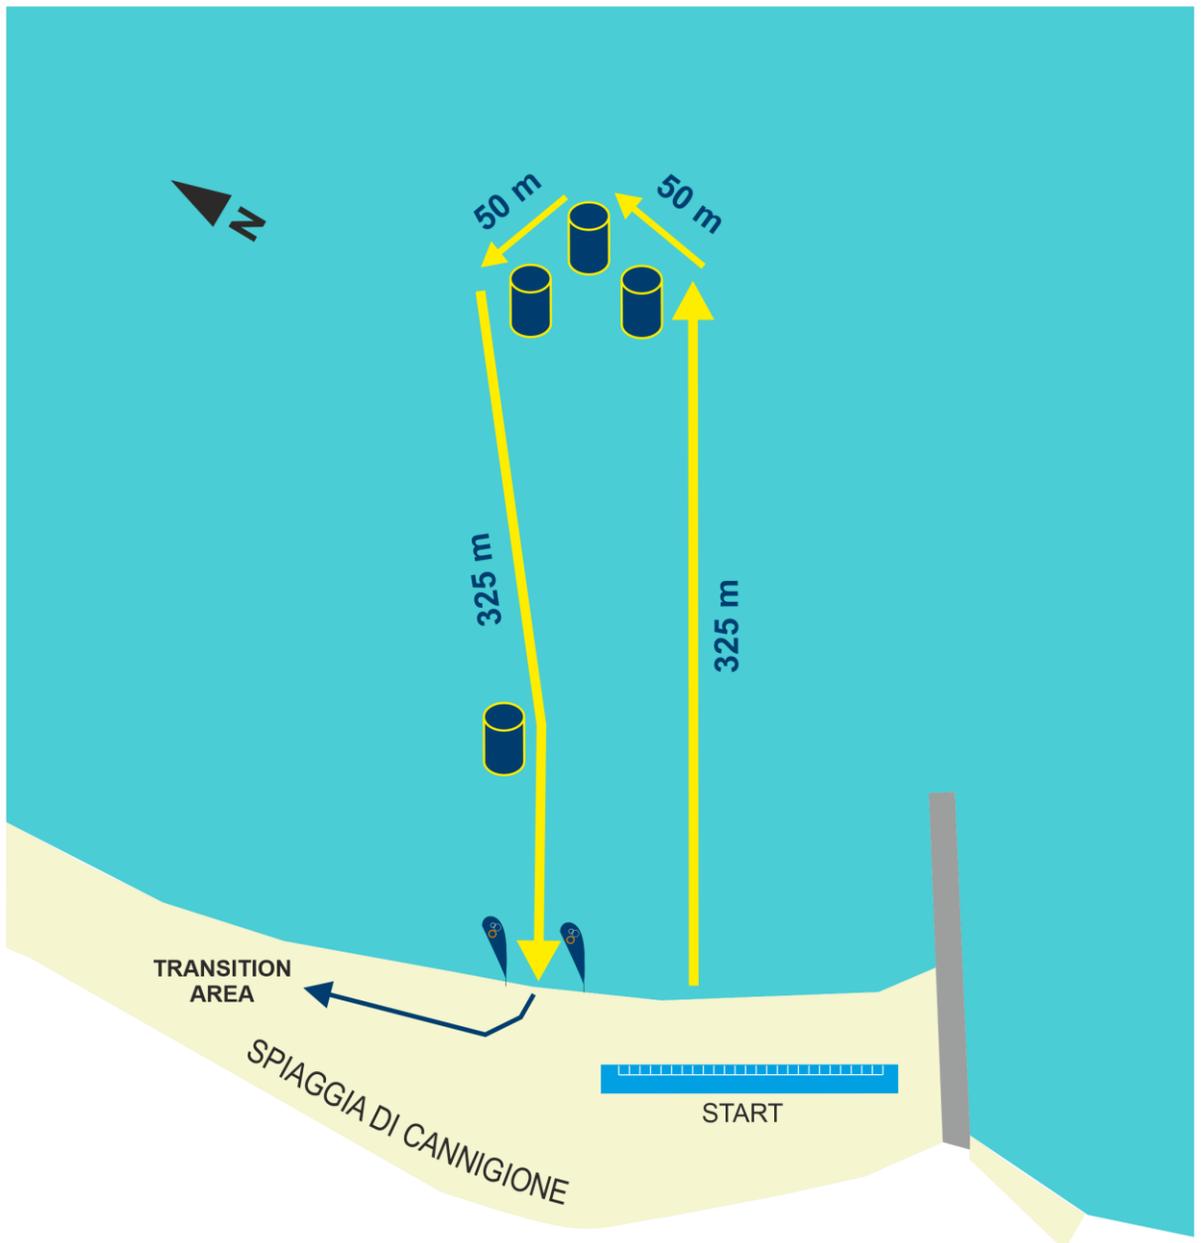

Following the call, athletes will follow the indicated course taking them to the swim start.

SWIM COURSE

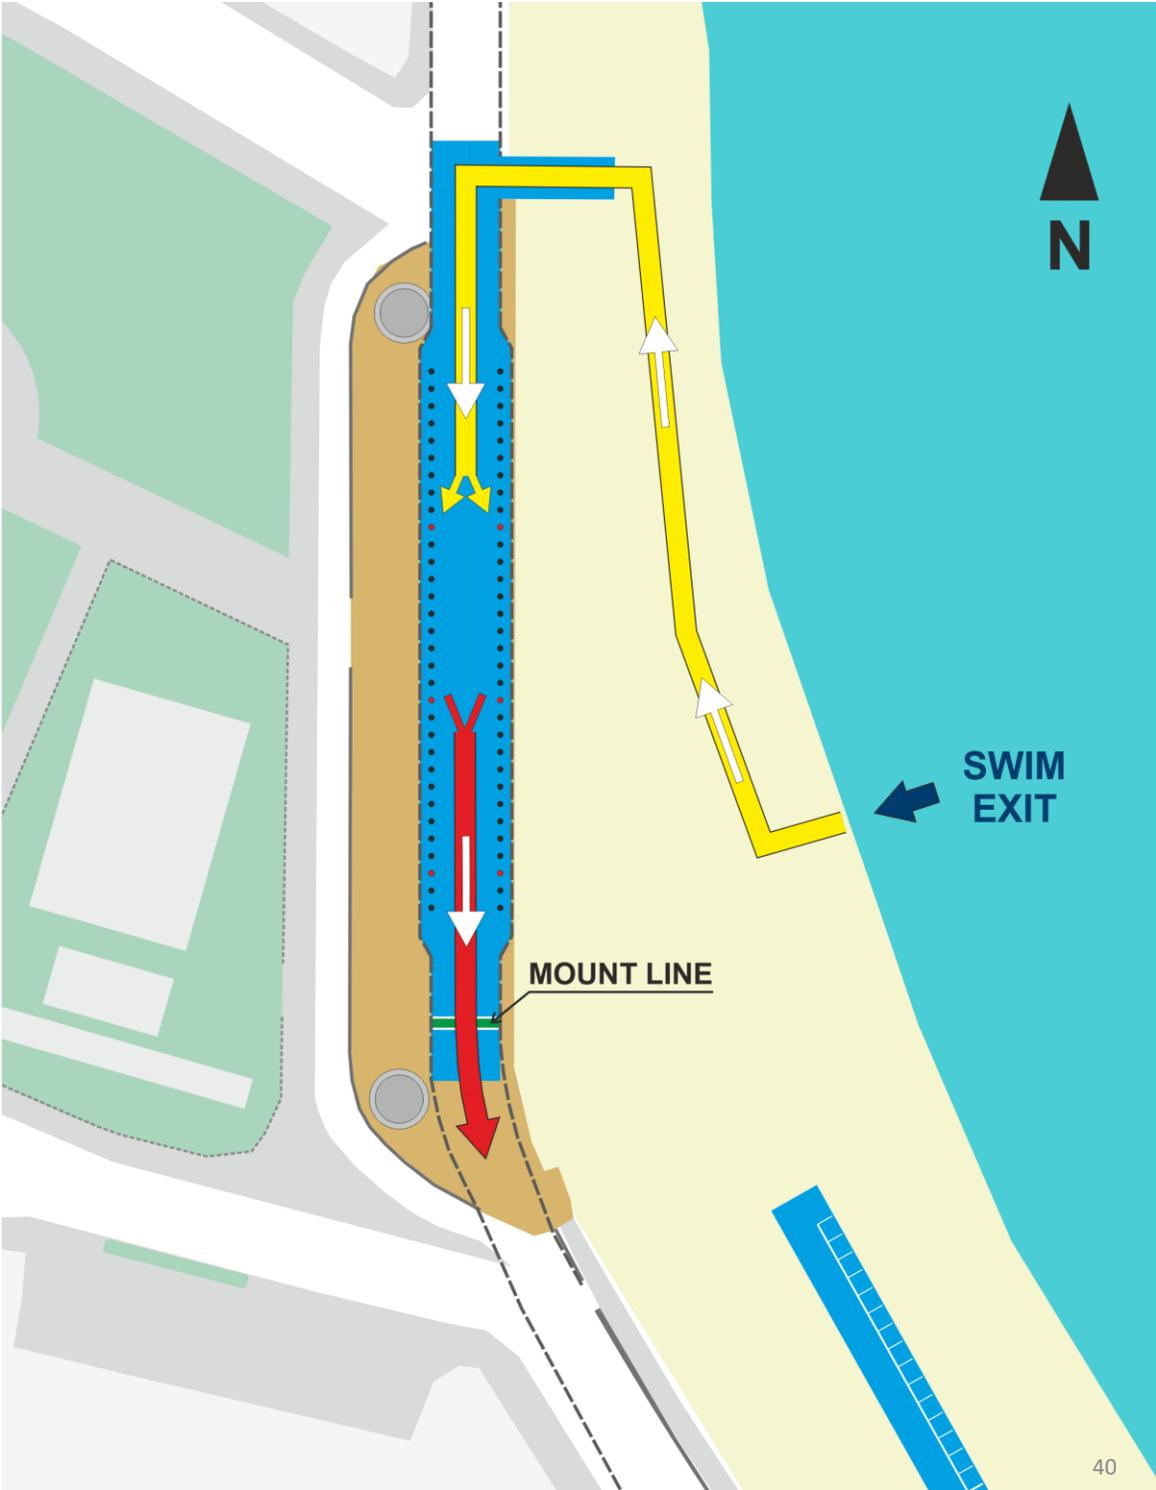

The swim will be a beach start. It is a one lap course of 750m, to be swam anticlockwise. The first buoy is at 325m, this is followed by a slight left hand turn towards the second buoy, another slight left hand turn towards the third buoy and then a straight 325m back to the exit. When exiting the water to return to the transition area follow the course.

Water temperature should be between 15,2 °C - 21,2 °C.

T1 ENTRANCE & EXIT

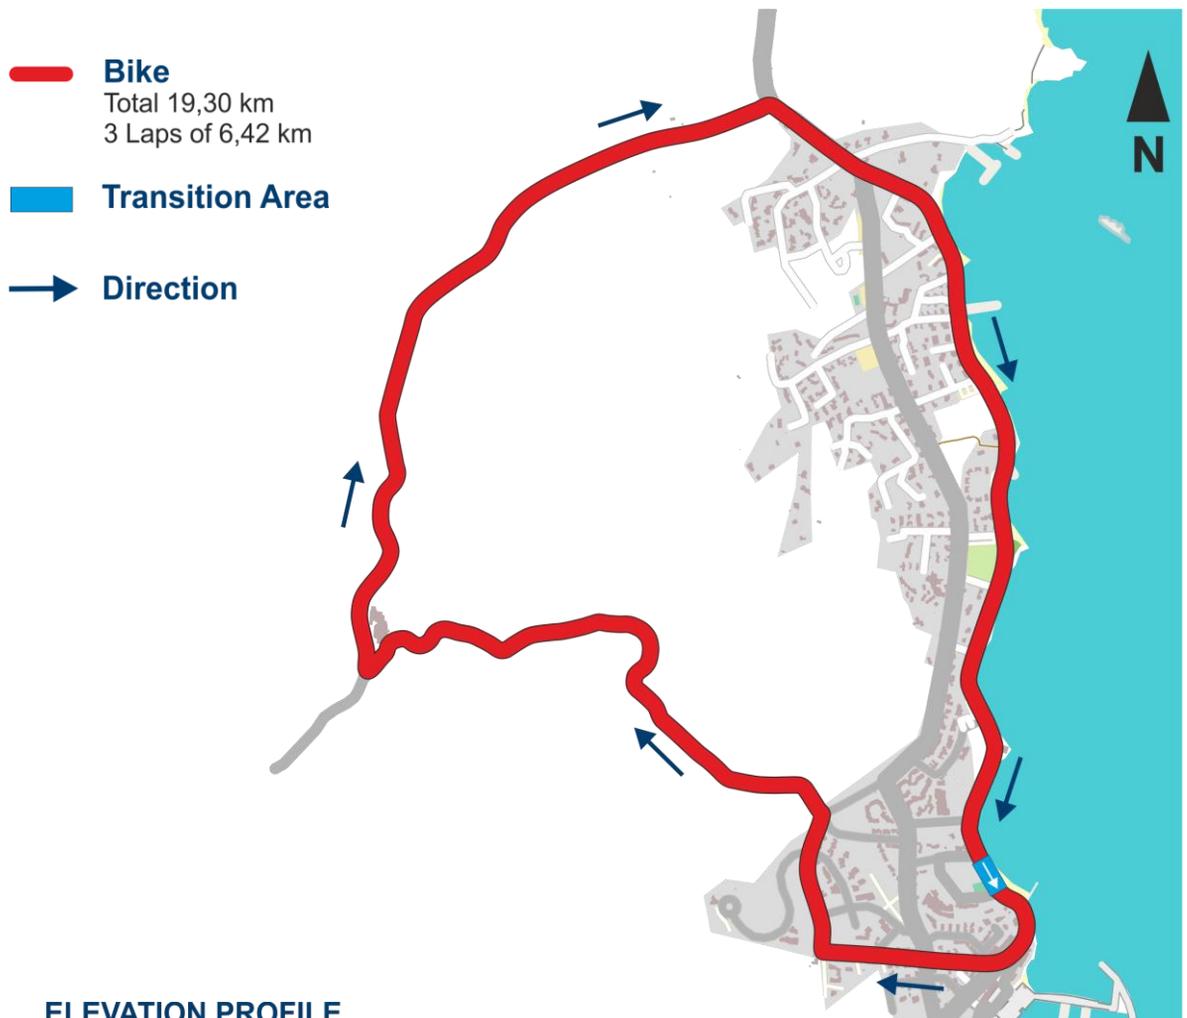

See the map below for the entrance into T1 and exit from T1, and the Mount Line. Place all your swim equipment into the box provided.

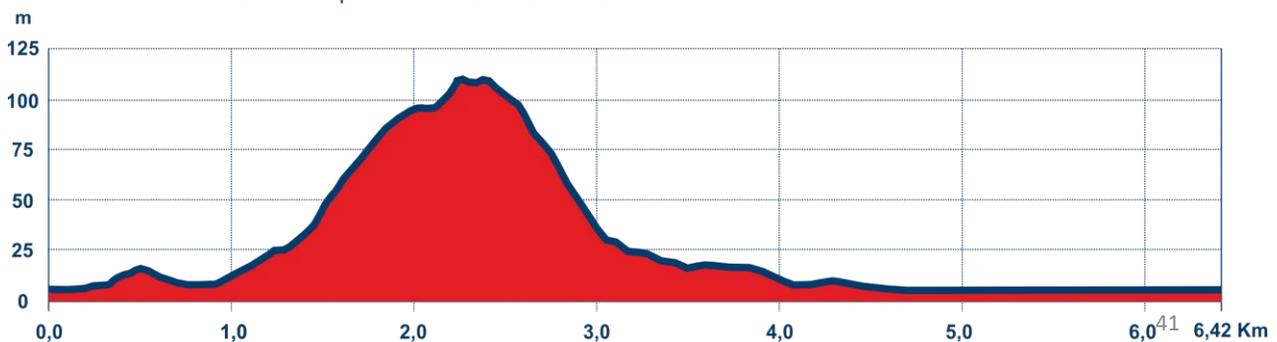

BIKE COURSE

The bike course consists in 3 identical laps of 6,42km each, riding clockwise. After the first kilometer through the streets of Cannigione, continue outside town and face the demanding climb that leads to Micalosu at a height of 112 meters. Start the descent towards Cannigione from here and ride the last two kilometers along Cannigione's seaside. Proceed until you reach the transition area and keep on for the next 2 laps.

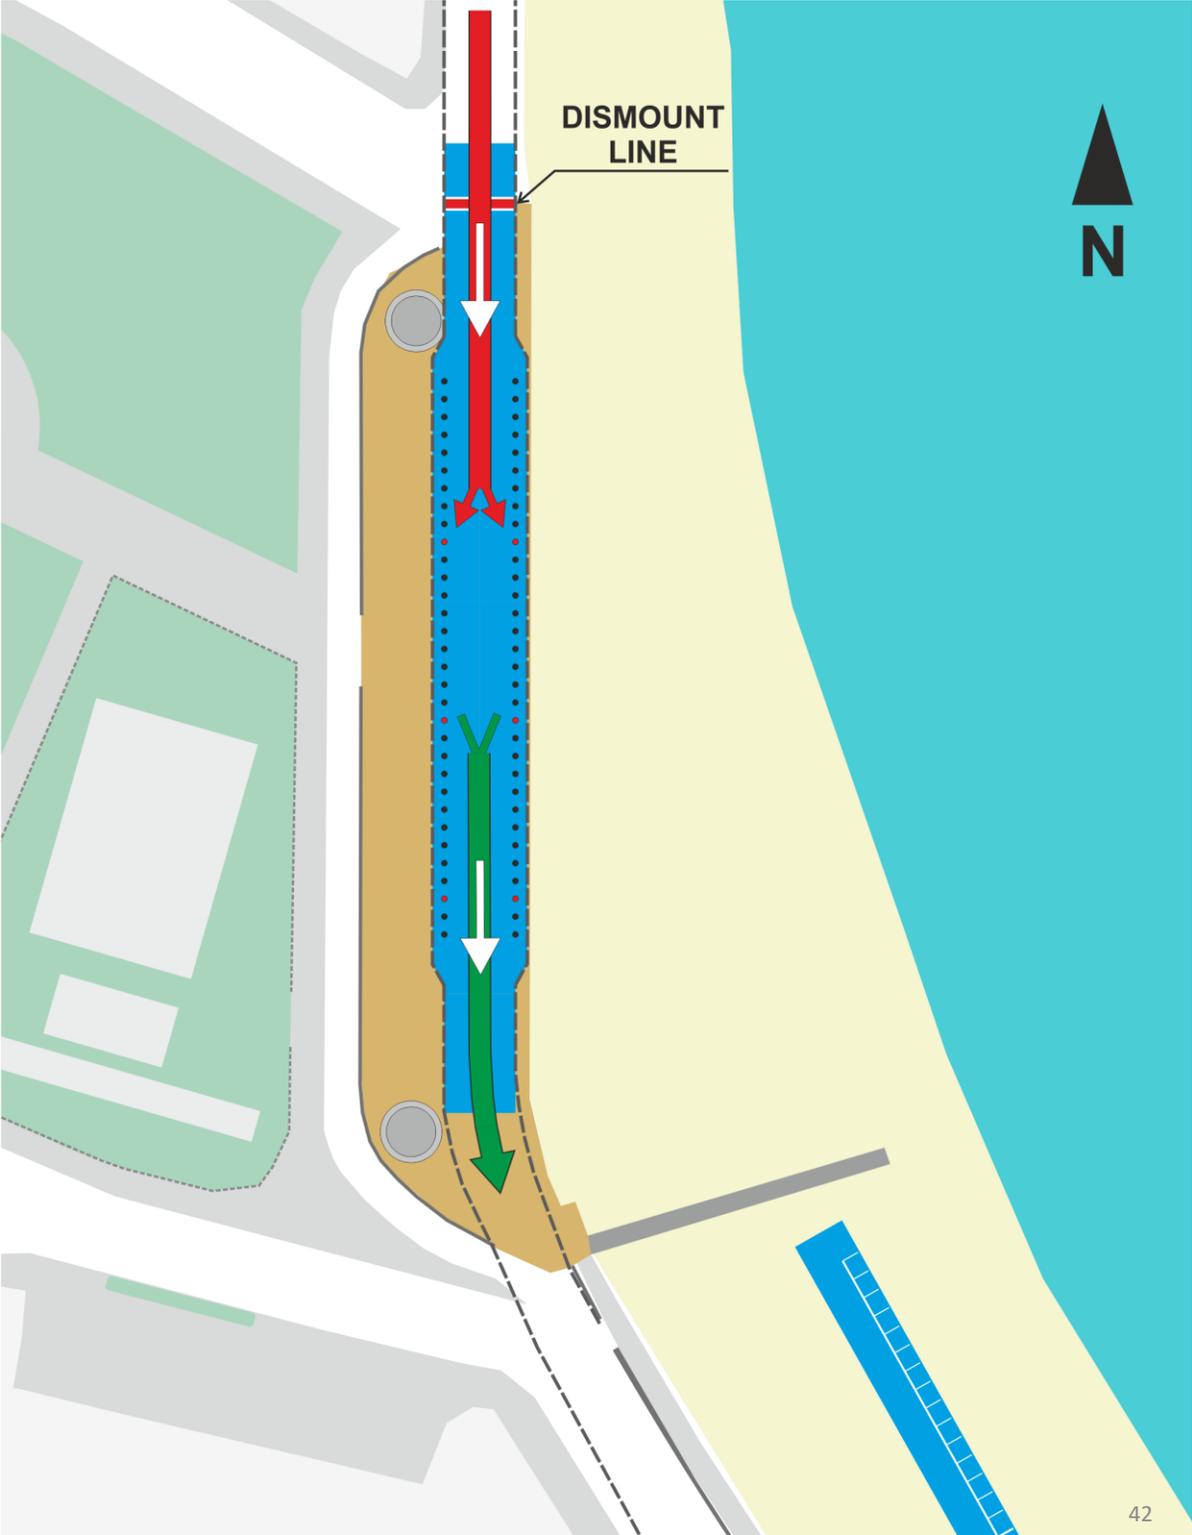

ELEVATION PROFILE

Total Ascent: 132 m x 3 laps Max Elevation: 112 m

T2 ENTRANCE & EXIT

See the map below for the entrance into T2 and exit from T2, and the Dismount Line.

RUN COURSE

The running course consists in 2 identical laps of a 2.50 km loop each, to be performed clockwise. Exit T2, run until you cross a section already traversed during the bike course, keep running along Cannigione's seaside until you reach the transition area again and start the second lap. At the end of the second lap, after passing the transition area, turn right onto the finish line.

ELEVATION PROFILE

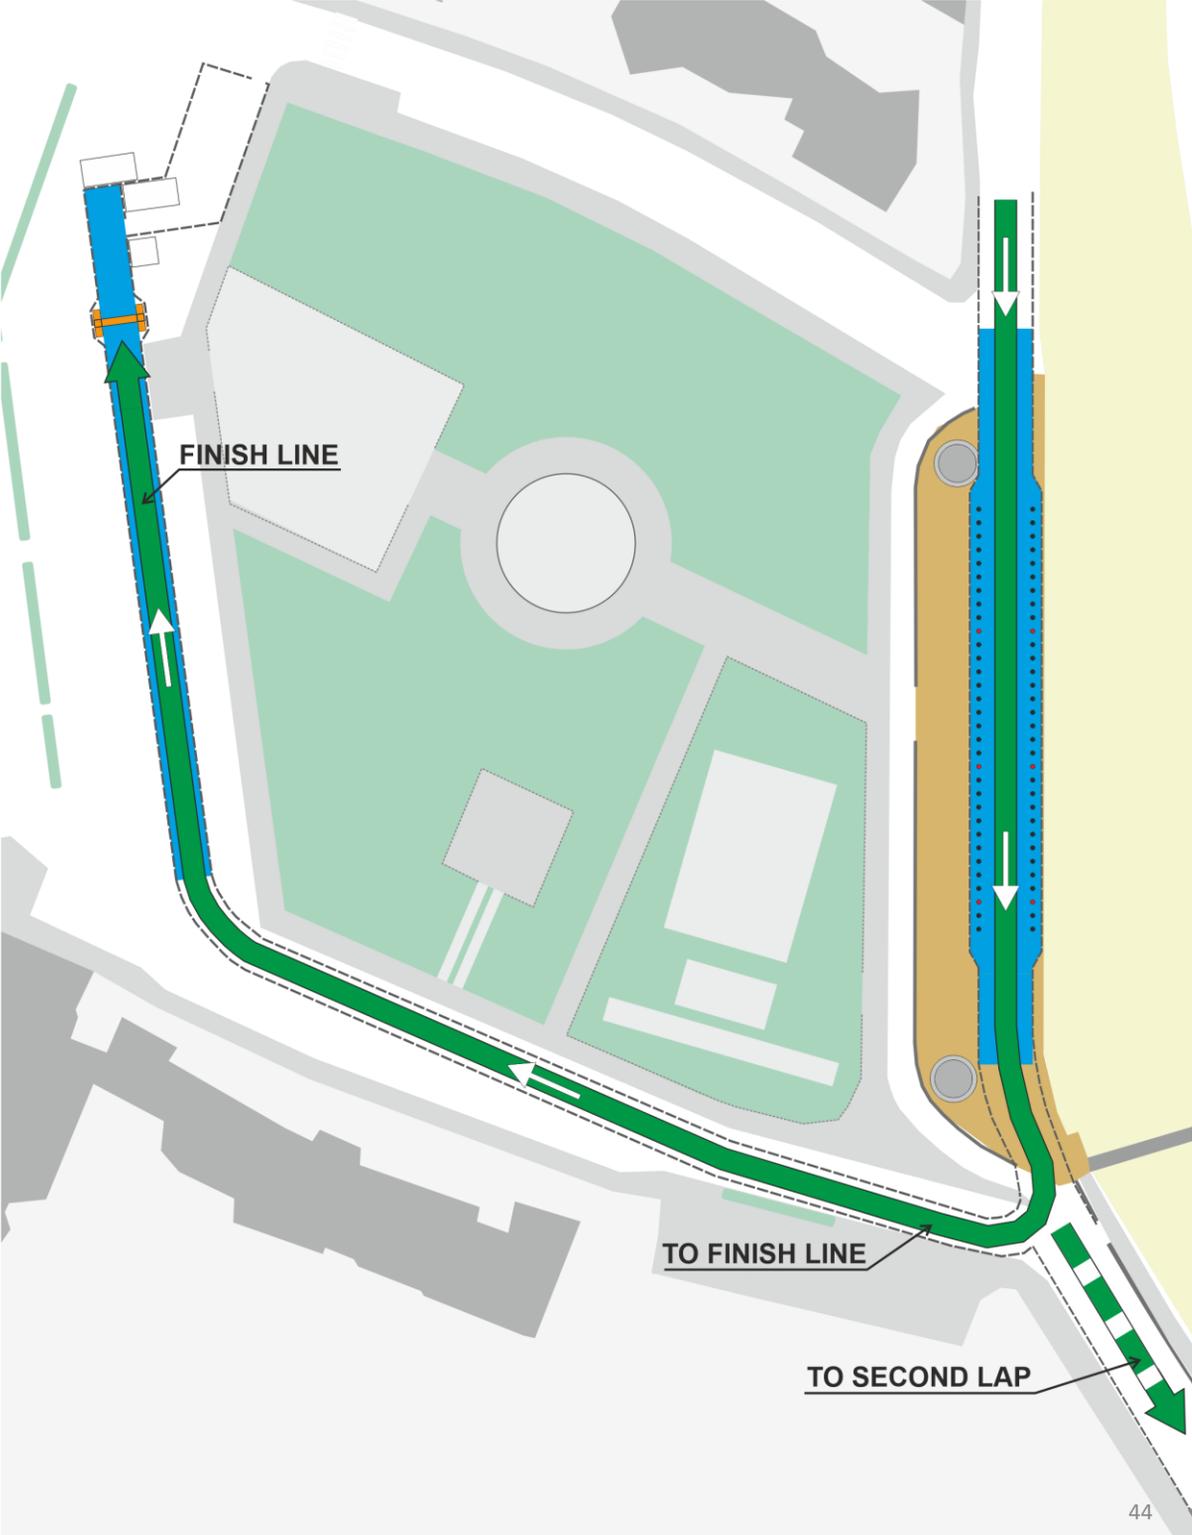

Total Ascent: 22 m x 2 laps Max Elevation: 20 m

FINISH LINE

See the map below for the path to take for the finish line. On the last lap pass turn right to the finish line.

WHEEL STATION

There will be 2 wheel stations on the bike course.

1) Team Wheel Station: will be placed shortly after exiting T1 on the left hand side of the road. The teams will provide their own wheels to this wheel station (30' before start).

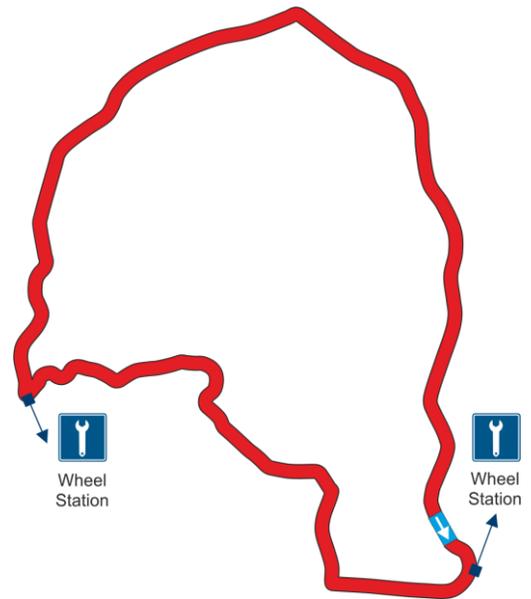

2) Neutral Wheel Station: at approximately halfway lap on the bike course on the left hand side. The LOC will provide the wheels to this wheel station and they will be available according to World Triathlon Rules:

4x 700c front wheel

4x 700c 11 cassette Shimano rear wheels

2x 700c 10 cassette Shimano rear wheels

2x 700c 10 cassette Campagnolo rear wheels

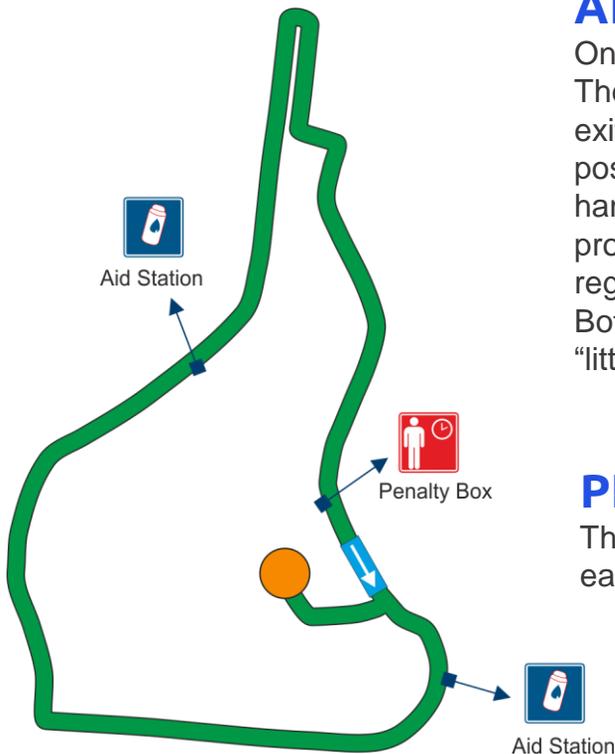

AID STATION

On the run course there will be 2 aid station. The 1st is positioned at 150m from the T2 exit, on the left hand of the course. The 2nd is positioned at half course, always on the right hand of the course. The athletes will be provided with water bottles sealed, as regulation.

Bottles can only be disposed of in the "littering zone".

PENALTY BOX

The Penalty Box will be found at the end of each run lap.

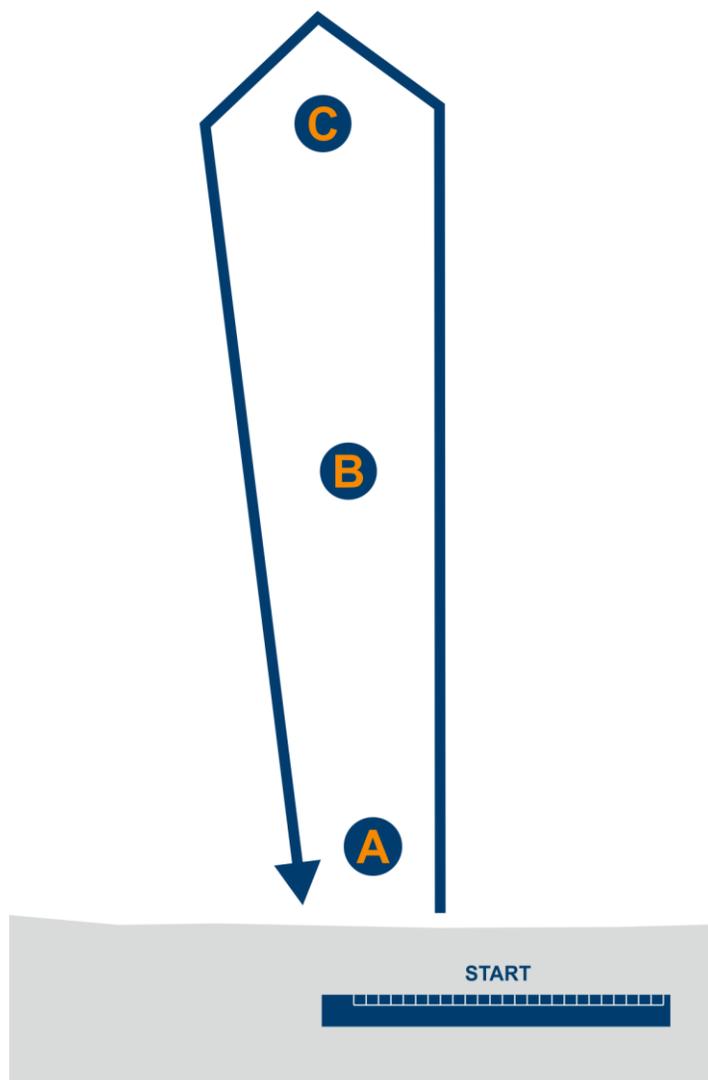

TEST

Test date: **05/05/2021**

Analysis lab: **BIOLAB di PATRIZIA MILILLO - OLBIA**

Parametro Analitico	Unità	punto A	punto B	punto C	Limiti D.Lgs. 116/2008	Limiti ITU	Metodo Analitico

Enterococchi Fetali	UFC/100ml	< 1	< 1	< 1	200	100	UNI EN ISO 7899-2:2003
pH	Unità	7,8	8,0	7,7		6 - 9	APAT CNR IRSA 2060

FAMILIARISATION

- **SWIM**

There will be a swim course familiarisation session on Friday 28th May at 11:30 - 12:30 local time.

Athletes must bring their accreditation pass and report to the athlete's lounge in order to participate in the familiarisation session. During the swimming course familiarisation there will be lifeguards and medical service available.

- **BIKE**

Bike familiarisation is not provided.

A video from the bike course will be provided on the [website](#).

- **RUN**

Run familiarisation is not provided.

RUN COURSE MEASUREMENT

There will be an official run course measurement opportunity for Coaches on race day at 11.45. Coaches will meet at the Mount line with the Technical Official and must register at the race package distribution.

ATHLETE'S LOUNGE

The Athletes Lounge is located between Transition area and Finish line. Toilets, seating, bag storage and sealed bottles of water will be offered to the athletes before and after the race.

COACH ZONE

Coach zone will be found at the following points: Start area, Swim exit area, Transition Zone, Penalty Box, Bike and Run Course. Coaches require their accreditation pass in order to enter these zones.

RACE CHECK IN

Athletes must check-in at the Athlete's Lounge prior to racking their bikes. During check-in athletes will be given their race swim cap and timing chip and uniforms will be checked. Bikes and spare wheels will be checked on entry to the transition area. Spare wheels must be taken to Wheel Station 1 at least 30 minutes before the race start.

DOPING CONTROL

Doping Control will be performed according to the WORLD TRIATHLON/WADA rules. Testing will take place inside the Doping Area.

MEDICAL SERVICES

First Aid and Emergency Medical Services will be available at the venue on 10th October before and during the competition hours.

Medical and paramedical personnel will be available throughout competition times. Several ambulances will be available to provide emergency transfers to hospital.

A medical tent will be provided on site at the finish area.

Possible medical services at the venue are free of charge.

Treatment in clinics and practices is to be paid by the participants.

Athletes / teams should ensure that they have appropriate medical insurance.

RESULTS

Results will be uploaded live to the WORLD TRIATHLON 's official website: www.triathlon.org

All the results information will be distributed to the Team Mangers at the LOC Information Office.

PROTEST & APPEALS

Standard procedures will be followed according to the ITU Competition Rules.

UNIFORM PRINTING SERVICE

RS SERVIZI

Viale Costa Smeralda, 73 B - Arzachena (SS)

Contact the LOC Office if you need help outside these hours.

Days before the race: Bike e Fitness Arzachena:

Viale Costa Smeralda, 54, 07021 Arzachena SS - +39 0789 396397

PRIVACY

PRIVACY POLICY

1) Controller and categories of processed data

Participation in the Event and the provision of the services linked with it entail the processing of personal data such as: personal data and those of the participant's involvement with sports companies/events; pictures and videos containing the participant's likeness; times of transit at control points and/or timing; geolocation data of the participants who employ a geolocation device and the services linked with it.

The participant's health data may be processed (such as those concerning pathologies disclosed by the participant and included in medical reports) if strictly necessary for entering and participating in the Event (such as entering a special competition category for special needs athletes and/or requesting special assistance) and only with the explicit consent of the data subject. In these cases, the consent of the data subject is required to participate in the Event and the failure to grant it shall prevent the participant to complete the registration.

The Organizer acts as the controller.

2. Aims and purposes of the data processing

The use of the aforementioned personal data is inherent in the nature of the sports Event, in its organizational needs, and in the offer of services to the participants.

The Organizer uses and processes the data, also through his/her technical and service partners and the companies linked to them, for: checking participation requirements; timing and tracking; medical assistance; photography and videos (paid too) for media and participants; communications with sport and public authorities; documenting the Event; the Event's promotion and commercial operations.

Therefore the purposes of the data processing are:

- i. providing services linked with the participants' registration to the Event and the smooth conduct of the Event (e.g. management of the registrations, the timing of recognizing and publication of the results, i.e. making available to the participants the photos and videos of the Event);
- ii. consent of the subject (e.g. processing health data for marketing purposes as specified in the following);
- iii. the legitimate interest of the Organizer and his/her commercial partners (e.g. publishing images and results to document the Event);

- iv. complying with legal obligations (e.g., in the case of communications with public authorities);
- v. safeguarding the interests of the participant or of another person (e.g. when medical assistance is required during the Event). The

The Organizer would like to call the participants' attention to the fact that photographs and videos of the participants, either in movement or still, will be taken during the Event; according to the purposes stated above (in particular, i and iii) the Organizer shall be at liberty to use them, i.e. allow the sponsors and service and technical partners of the Event to use such images for a) documenting the Event; b) selling

videos and photo shoots of the Event with the aim of offering free or paid photos and videos, exclusively for private use, to all the participants and the persons authorized by them. The authorization of filming one's likeness during the Event is a necessary prerequisite to participate in the Event since the rules of the Event include video and photo reporting of the competition for documentation and to offer all the participants the chance to buy photos and videos of it. Therefore any failure to authorize the use of one's likeness for such purposes, and the Waiver, determine the exclusion from the Event.

3. Data traffic and dissemination

The Organizer informs the participant that the Event is organized and managed also by technical and commercial partners and with the support of the sponsors. The services provided by such partners may include registration, tracking, timing, live-action photography and video, and other services. Some of these may require that the participant registers on the partner's platform or processing by the partner as an autonomous controller. In such cases, the participant is invited to read the partner's privacy policy. The participant can email the Organizer at any time to request the list of the partners and sponsors.

Given the public nature and purposes of the Event, the participants acknowledge and accept that the data concerning their likeness, timing and results, i.e. their position in real time wherever tracking services are active, can be made publicly accessible on the Organizer's, sponsors' and partners' websites and/or transmitted to third parties for the purposes of reporting, documentation, promotion of the Event, of providing specific services linked to the Event, such as the sale of videos and photo shoots, for complying with legal or regulatory obligations and for safeguarding the vital interests of the participants (such as communicating with the competent authorities and staff during rescue operations and/or providing medical assistance during the Event).

4. Authorization for publicity usage of the participant's likeness

The participant's authorization gives permission to the Organizer to use the shootings and images that include his/her likeness to promote the Event and other events organized by the Organizer. The participant can withdraw his/her consent at any time by writing to the Organizer.

5. Treatment for marketing purposes

If the participant uses his/her email address to register for the Event the Organizer may use such address even via his/her service partners, without obtaining a previous consent by the participant, to send him/her commercial emails on his/her products and services linked with the Event or any other such events and initiatives. The participant may unsubscribe from this service at any time following the instructions included in every email. Notwithstanding the above and with the free and specific authorization of the participant that can be withdrawn at any time, the Organizer, via his/her service partners, may:

- a) use the participant's personal data (email, address, and phone number) for commercial purposes, market research, surveys, offers of products and services of his/her commercial and service partners by traditional forms of communication (i.e. snail mail, phone calls, etc...) and automated forms of communication (i.e. prerecorded calls, e-mail, fax, SMS, MMS, apps, etc...);
- b) transmit to some categories of third parties (in particular, the Event's sponsors and other companies providing the Organizer with products and services for the Event and more generally sports activities) the participants' personal data (email, address and phone number) for purposes of commercial communication, market research, surveys, offers of products and services made via traditional means of communication (i.e. snail mail, phone calls, etc...) and automated means of communication (i.e. prerecorded calls, e-mail, fax, SMS, MMS, apps, etc...). Such parties will act as independent controllers and will be required to communicate their privacy policy to the participant.

6. Data retention and controllers

The participants' data will be retained in the digital archives of the Organizer and subjected to the protection measures set out in art. 32 of EU Regulations 2016/679. The information shall be retained for the time needed by the purposes for which it was gathered and possibly for a longer time if data retention is deemed necessary to protect the rights of the Organizer or third parties (i.e. the data linked to the Event registration will be retained for ten years, also in light of potential complaints by the participant within the regular ten-year time of prescription).

The data relating to the results of the Event will be retained as long as there is an interest in documenting the same Event. The personal data used to send commercial emails will be retained as long as the participant exercises his/her right to withdraw the consent accorded previously. The image data of the participants shall be retained for as long as the Organizer may legitimately dispose of the Event's footage. For the purposes of data retention and treatment, the Organizer may use third parties under his/her responsibility. The Organizer will name such parties as Controllers pursuant to art. 28 of EU Regulation 679/2016. The data subject can at any time request the list of the Controllers named by the Organizer at the address provided in art. 9.

7. Data transfer outside the EU

In the case of data transfer outside of the European Economic Area (EEA), the participant's data may be transferred following a vetting by the European Commission which will ascertain that the non-EEA country is able to guarantee adequate data protection. In the case of transfers to non-EEA countries whose level of data protection has not been acknowledged by the European Commission, the Organizer shall use a Waiver applicable to the specific situation, i.e. he/she will implement one of the following measures to guarantee data protection:

- standard contract terms approved by the European Commission; or
- binding corporate rules, if applicable.

The data subject may submit a written request as per the instructions contained in the following to obtain a copy of one of these details and measures, if available.

8. Rights of the participant

The data subject can at any time exercise his/her data protection rights pursuant to articles 15-22 of the GDPR 2016/679. These rights include:

- a) Access: the data subject can obtain information relating to the treatment of his/her data and a copy of such data.
- b) Rectification: the data subject can request rectification of his/her data when such data is inaccurate or incomplete.
- c) Erasure: the data subject can request the erasure of his/her data by withdrawing his/her consent and if there is no other legal ground for the processing.
- d) Restriction of processing: the data subject can obtain the restriction of processing in the cases provided by the law (e.i. If he/she contests the accuracy or treatment of the personal data).
- e) Objection: the data subject can object to the processing of data if the processing based on the Organizer's legitimate interest for purposes relating to his/her specific situation, unless mandatory reasons exist that override the interest of the data subject (i.e. when the data processing is needed to defend a right of the Organizer in a court of law).
- f) Withdrawal of consent: the data subject can withdraw the consent previously given for the purposes of data processing.

The data subject may, at any time, object to the processing of his/her data for marketing purposes and revoke the consent previously given by following the instructions included in each commercial email. The participant acknowledges that his/her objection (see abovementioned article), withdrawal of consent (see art. 4) or consent (see Waiver) to using images of his likeness shall have effect as far as possible to stop the publication of such images within reasonable costs and means. The objection and withdrawal shall not affect the lawfulness of the usage that has been made of it in the intervening time. The rights in question may be exercised via written communication to the Organizer. Pursuant to existing law the data subject may also submit a complaint to the Data Protection Authority (Garante per la Protezione dei dati personali), Piazza di Monte Citorio n. 121 – 00186, Rome, Fax: (+39) 06.69677.3785, protocollo@pec.gdpd.it
