1. WELCOME

WELCOME LETTER – WORLD TRIATHLON

Marisol Casado

World Triathlon President
IOC Member

“Welcome to the 2024 World Triathlon Winter Championships Pragelato-Sestriere

We are delighted to be back in Italy for another Winter Triathlon World Championships, this time in the stunning setting of Pragelato-Sestriere in Italy’s western Alps.

This year marks the 26th edition of our Winter World Championships, a prestigious occasion that has evolved over the years to now include Mixed Relay, Duathlon, Para and Age-Group events and bring more run-bike-ski action than ever to winter sports fans.

To be holding this year’s championships in the home of the 2006 Winter Olympics cross country skiing will once again raise the bar in terms of the course and infrastructure for athletes and fans alike. We are all hugely excited to see our athletes compete on such an impressive stage over these three days of action.

Over the years, Italian athletes have always been among the medal contenders, and I have no doubt that the likes of current men’s world number one and two Franco Pesavento and Alessandro Saravalle and defending women’s champion Sandra Mairhofer will be among those giving the crowds here plenty to cheer over the coming days.

My thanks go to the outstanding Local Organising Committee for their work in putting together this impressive stage for the athletes, to the Italian Triathlon Federation and to the volunteers for their invaluable contribution to the running of the event.

Our very best wishes to all the athletes taking part and good luck in achieving your goals. These are the occasions that truly put triathlon on the map among the other major winter sports, and the amount of hard work and collaboration behind the scenes has been incredible”.

Yours in Sport

WELCOME LETTER – ITALIAN TRIATHLON FEDERATION

Riccardo Giubilei

Italian Triathlon Federation President

"I am pleased to present the global event that will open the 2024 Italian international season: from 23 to 25 February Pragelato, in Piedmont, will host the Winter Triathlon and Winter Duathlon World Championships.

Italy will thus return to awarding the titles of the winter multidisciplinary specialty with the World Triathlon Winter Duathlon Championships and the World Triathlon Winter Championships Pragelato - Sestriere 2024.

On 23, 24 and 25 February the marvelous setting will be that of the cross-country track which hosted the Turin 2006 Winter Olympic Games: on the occasion of the world championship event the individual, mixed, Paratriathlon and Age Group specialty titles will be awarded in the Triathlon and individual, Paraduathlon and category in Duathlon.

On behalf of the Italian Triathlon Federation and Italian sport I welcome all the athletes who will come to Pragelato to win, as well as all the technicians, managers and enthusiasts who, from all over the world, will come to enjoy a unique show.

I would also like to thank the Piedmont Region, CONI and the federal offices for the fantastic team work."

WELCOME LETTER – CONI

Giovanni Malago'
Coni President

“Another great international showcase to consolidate the credibility acquired by the Italian triathlon in the world firmament thanks to the organizational successes achieved in recent years and to reiterate the preeminent role played thanks to the important feedback obtained.

The World Triathlon Winter Championships in Pragelato represent one more time a signal of ability and foresight, thanks to the increased appeal of the discipline and the consideration obtained globally.

We are happy that the Italian National Olympic Committee contributed to the valorization of this fascinating competitive dimension, recognizing its importance through its introduction – as a demonstration event – within the program of CONI Winter Trophy, held in Pragelato in December. A confirmation of consideration gained in the multidisciplinary context that follows the other recent initiatives already strategically promoted in this direction by the Federation, including the Suzuki Winter Triathlon Circuit. Together with the Winter Triathlon Championships, on the cross-country track which hosted the Turin 2006 Olympic Winter Games, will also be held the World Triathlon Winter Duathlon Championships: over 200 Elite/U23 athletes, Junior, Para and Age Group in the classic distance, sprint and relay, will enliven this great sports page, destined to create the premises for an increasingly satisfying future.

On behalf of myself and CONI I address the sincerest congratulations to the Italian Triathlon Federation, chaired by Riccardo Giubilei, for the great work done and for the ambitious projects developed, and heartfelt thanks to the Piedmont Region and others anyone, in various capacities, was a protagonist in the organization of this event.

The occasion allows me to extend particular encouragement to the aspirant champions who will compete in search of the result consign to history.”

Long live to the Winter Triathlon, long live to sport, long live to Italy!

WELCOME LETTER – PRAGELATO

Giorgio Merlo

Mayor of Pragelato

“Every international event that takes place in the community of Pragelato is, for the whole country, a pride and honor.

And this initiative too can only be welcomed with great joy.

We will work alongside the organizers to ensure that this event is successful and,
Above all, that satisfies all those who will visit Pragelato in those days.

I greet all the participants of this important international initiative and Pragelato, as always, will welcome you “with enthusiasm and friendship.”

WELCOME LETTER – CITTA' METROPOLITANA TORINO

Stefano Lo Russo

Mayor of Metropolitan
City of Turin

It is with great pleasure that, on behalf of the Metropolitan City of Turin, I greet the participants in the 2024 World Triathlon Winter Championships Pragelato and the 2024 World Triathlon Winter Duathlon Championships Pragelato. These are events that, from our point of view, enhance our territory and its equipment of sports facilities. In this case we talk about the Olympic Nordic ski track, which hosted the Olympic Winter Games Torino 2006 and in a year will be the scene of the Nordic skiing and biathlon races of the World University Games Torino 2025. During the events organized by the Italian Triathlon Federation in Pragelato and Sestriere will be competing athletes of all ages and with different skills: it is a beautiful example of what sport means for everyone, which is a priority that every local government must pursue. We wish athletes to appreciate the hospitality of our Olympic valleys and the technical quality of our facilities.

WELCOME LETTER – SESTRIERE

Gianni Poncet

Mayor of Sestriere

Dear sportsmen,
we are truly honored to be able to give our patronage and logistical support to the 2024 World Triathlon Winter Duathlon Championships Pragelato-Sestriere. We will be at your side during the event, faithful to our motto "Sestriere, a mountain of sport" that we profess, with the same commitment, both for the Olympic disciplines, both winter and summer, as well as for all sports in general.

The Municipality of Sestriere has invested, and is investing, thanks to the funds of the PNNR, on the renewal of the entire sports complex, from the Sports Hall to other facilities, to offer athletes the opportunity to work at the top. I invite all athletes of the 2024 World Triathlon Winter Duathlon Championships, in particular the President of the Italian Triathlon Federation, that I thank, so that I can bring his boys in training in Sestriere in view of the main events on the calendar in the wake of many teams and federations who believe in the fundamental contribution of athletic training and staying in the high ground.

Waiting to welcome you, I wish a "good luck" to all athletes who will animate the 2024 World Triathlon Winter Championships Pragelato-Sestriere.

4.9 MEDICATIONS

Athletes are advised to bring enough medications for personal use. It is wise to bring a letter from your personal doctor confirming your medical history and medication in case of emergency. If you have been prescribed a medication that is for restricted use in the WADA code, please ensure that you have submitted a TUE with your triathlon federation.

4.10 ANTI-DOPING INFORMATION

Doping Control will be performed in compliance with the World Triathlon Anti-Doping rules and WADA International Standard for Testing by the Italian Anti-Doping Organization (NADO Italia) and analyzed by Acquacetosa laboratory in Rome. Doping Control will be located in Centro Fondo Pragelato via Rohrbach 7, Pragelato Plan (TO).

Anti-Doping Control will take place in all categories. **Make sure to have a photo ID with you.**

As a World Triathlon Age Group athlete going to a World Championships, you are subject to Doping Control.

If you get selected for Doping Control someone will approach you and notify you that you have been selected for Doping Control. This could be done even before your race. For example, after you pick up your registration package or check your bicycle into the transition area. The Doping Control Chaperone and/or Officer will explain the procedure to you, but you should be aware that you have certain rights and responsibilities.

YOU HAVE THE RIGHT TO:

- Nominate a representative of your choice to accompany you to Doping Control.
- Arrange an interpreter (if required).
- Request additional information about the Doping Control procedure.
- Request a delay in reporting to the Doping Control Station for valid reasons. (These reasons may be to receive necessary medical attention, locate a representative or fulfil a media commitment but you must have the consent of, and be in full view of, the Doping Control Officer or Chaperone).
- Request necessary modifications if you have a disability.

- Note any concerns with the Doping Control Process on the Doping Control Form.
- Request part 'B' of your sample be analysed to confirm a positive result.
- A fair hearing in accordance with the World Anti-Doping Code.

YOUR RESPONSIBILITIES INCLUDE:

- Be aware of, and comply with, the World Anti-Doping Code and the World Triathlon Anti-Doping Rules.
- Be aware of which substances are not allowed as they are on the Prohibited List.
- Comply with requirements for Therapeutic Use Exemptions (TUE). A TUE allows you to take a substance on the Prohibited List, if that is the only option available to you and you meet specific requirements. There are strict rules governing TUEs so it is best to check those out before the event. As an Age Group athlete you may apply for a retroactive TUE, but it is not guaranteed so you may want to request one no later than 30 days prior to racing.
- Report to the Doping Control Station immediately or within the required time specified by the Doping Control Chaperone.
- Control your sample until it is sealed in the sample collection kit.

- Ensure the sealed sample collection kit is secure and identified.
- Ensure all appropriate documentation is accurate.

- You must have photo identification to take with you to the Doping Control Station. It is also a good idea to make sure that you have access to your National Federation manager's phone number so that you can let them know that you have been selected for Doping Control. If you have any questions about anti-doping, you should visit our booth at the expo where there are volunteers who can answer any of your questions. You can also check out the Age Group Anti-Doping section on https://triathlon.org/agegroup/anti_doping

Further info on Anti-Doping Rules can be found [HERE](#).
