Run Penalty Box

- Start infringements will be served in T1
  Swim, T1, Bike, T2 and Run Infringements will be served in Run
- Location: 50 m before the end of each lap
- Information: White board to show race numbers and letters to indicate violations
  (Athletes need to read the board – coaches are advised to check and inform their athletes)
- Procedure: 10 seconds time penalty served on any lap of the run

Penalties must be posted prior to the last lap on the run. Any penalties following that point will be served on the spot.

Athletes have the option to decide whether to stop at the penalty box and serve the penalty or continue to the finish. Not stopping will result in DSQ on crossing the finish line. The athlete may then appeal the penalty. Evidence will only be made available if an appeal is filed.
Rule interpretation

- **Mount after the mount line**: An athlete’s foot must contact the ground past the mount line, before the athlete mounts the bike. If this contact doesn’t occur, it is considered an infringement of the rules (M).

- **Dismount before the dismount line**: An athlete’s foot must contact the ground before the dismount line after the athlete dismounts the bike. If this contact doesn’t occur, it is considered an infringement of the rules (D).

- **Discharge or store your equipment inside your designated area**: Leaving the equipment (swim cap, goggles, helmet, etc.) in the designated box. If leaving the equipment outside the box, it is considered an infringement of the rules (E).
