

IMPORTANT INFORMATION

Dear All,

Please read the below information regarding the upcoming event in Kitzbuhel:

Due to the good weather forecast next week in Kitzbuhel, all the farmers are planning to cut the grass in the area.

This means the roads are expected to be very busy with big tractors and other agricultural machines.

On the bike course has some narrow parts with shape turns, therefore we would like to kindly ask you to pay extra attention during training.

IMPORTANT INFORMATION

Roads are open to traffic and not closed for training purposes.

During all training it is mandatory to follow the local traffic regulations including speed restrictions.

We expect all athletes to respect and watch out for any vehicles, cyclists and pedestrians to avoid accidents.

ATTENTION ON BIKE COURSE

Please be aware
of the road narrowing
approx. 250m after the TA

CAREFUL WHEN OVERTAKING

Be cautious and watch out
for other athletes
to avoid accidents!
