See full Complete rules at

https://www.triathlon.org/uploads/docs/World_Triathlon_Sport_Competition_Rules_2020_201811253.pdf

Health Management:

In accordance with IATF directives, the use of masks and face shields in all public places are required.

Throughout the 14-day period before, during, and after SuBIT 2021, it is mandatory for all persons involved to perform regular health self-checks such as temperature detection and monitoring of symptoms.

- Pre-Bubble Entry Requirements:
 - Undergo RT-PCR test not earlier than 12nn of Sept. 15,2021. Forward negative test results coming from testing clinic to trapsecretariat@gmail.com.
 - Medical Certificate attesting that the participant is fit to race.
 - Fill-out online and sign Health Declaration Form, Waiver and Pledge of Adherence to all safety protocols and bubble rules.

- Bubble Protocols:
 - Upon entry, each person is required to undergo a thermal scan and submit the hardcopies of the RT/PCR negative test result, Medical Certificate, signed Health Declaration Form for contact tracing purposes, signed Waiver, duly-signed Pledge of Adherence to all safety protocols and bubble rules. Once completed and cleared, each person must immediately proceed to their designated hotel.
 - After checking in, participants are mandated to practice self-quarantine in their respective hotel rooms until the actual event. Food packs will be delivered outside the doors at meal times.
 - All pre- and post-race activities shall be socially distant or done virtually where possible.
 - Transportation to and from the race venue will be arranged by the local organizers, no personal vehicles shall be permitted.
 - Working spaces and manpower deployment will be organized in a manner where physical distancing is respected.

- Exiting the Bubble:
 - All participants will be asked to check out by 12:00 noon on race day. No side trips, sightseeing, and shopping within Subic Bay Freeport are allowed. Each person must directly return to their points of origin.
 - At the end of this event, the local organizers will keep records of all involved for future reference should the need for contact tracing arise.
