Welcome to the AsTri Huatulco 2024 Triathlon World Cup!

This paradise is located on the coast of the State of Oaxaca, in the Mexican Pacific, and has 7 beautiful bays. Tangolunda Bay is home to the hotel zone and the Coastal Boulevard, ideal for cycling and running. Said Boulevard joins the Bay of Santa Cruz, where the town of La Crucecita is located, a picturesque place with restaurants serving typical Oaxacan food, a market and small hotels.

Huatulco is a natural paradise surrounded by mountains with quiet white sand beaches that contrast with the beautiful blue of the water. You can practice multiple sports from swimming, snorkeling, sailing, kayaking, playing golf, running and cycling, among others. For many years it has hosted the World Triathlon Cup and this edition is once again part of such an important Series. The best Elite triathletes in the world compete in it looking for points to add to the World Ranking, making this triathlon a great spectacle.

1. GENERAL INFORMATION

1.1. INTRODUCTION

The purpose of the Athlete's Guide is to ensure that all athletes, coaches, and Team Leaders are well informed about all procedures concerning the Event. The LOC ensures that the information contained in this Guide is correct and up-to-date as of the production date. TRANSITION 1

A flow through transition has been developed to keep athletes moving forward in one direction. Athletes enter the transition and must deposit swim gear in a bin placed beside the bike racks. Athletes' name, numbers and country code are displayed on the top of each bike rack. After the helmet is secure, athletes unrack the bike by moving forward into the centre lane and towards the mount line.
