Dear Zita;

SUBJECT: FINANCIAL STATEMENT REPORT

I, Boris Teddy the Federation Secretary for Solomon Island Triathlon, am writing to inform you that the National Federation has no financial support from the National Olympic Committee Solomon Islands(NOCSI) or the World Triathlon Union.

Federations host their monthly event with the help of expats and local friends in advocating a healthy lifestyle and sportsmanship in sports. Therefore, the National Federation has no financial statement.

I confirm this report is true and is based on the above statements.

Kind regard
